Making Deposits:
Encouraging Individuals and Groups of Children

Individual Children:

Two things I already do to make deposits with individual children:

1. _________________________________________________________________
2. _________________________________________________________________

Three new ideas I’m going to try:

1. _________________________________________________________________
2. _________________________________________________________________
3. _________________________________________________________________

Groups of Children:

Two things I already do to make group deposits:

1. _________________________________________________________________
2. _________________________________________________________________

Three new ideas I’m going to try:

1. _________________________________________________________________
2. _________________________________________________________________
3. _________________________________________________________________

What extra steps will you take to ensure you are using these strategies with children with challenging behavior in your classroom?
