Virtual PBIS Leadership Forum

October 26, 27, & 28, 2021

Creating a Context for Every Student & Educator to be Successful

This three-day virtual forum is a technical assistance activity of the Center on PBIS and provides an opportunity for the Center to share information on the latest applications of PBIS. It has been designed to help school, state, district, and regional Leadership Teams and other professionals increase the effectiveness of school environments through PBIS.

REGISTRATION LINK
Welcome, Dr. Kimberly Yanek

- Co-Director for the Center for Social Behavior Support at CIEES at Old Dominion University.
- Technical Assistance Director with the National Center on PBIS, serving primarily the Mid-Atlantic Region.
- Coordinator for the APBS Mid-Atlantic PBIS Network.
- Previously worked for the Virginia Department of Education Training and Technical Assistance Center.
- Her teaching career currently focuses on organizational change and adult learning.
- Began her career in the classroom as a Special Education teacher.
Goals and Purpose of Today’s C & C

• Effective District and School Professional Learning
  • Identify data sources do we use to prepare for our Professional Learning
  • Describe the similarities and differences between coaching and consulting when delivering Professional Learning
  • Identify effective ways to design and deliver Professional Learning
Offering a holistic education to each and every child in our state.
