1870 Twin Towers East  
205 Jesse Hill Jr. Drive SE

The Individual with Disabilities Education Act (IDEA) Part B Section 619 is intended to help states ensure that all preschool-aged children (3 through 5 years of age) with disabilities receive special education and related services. The Georgia Department of Education is the State Education Agency that is responsible for general supervision and monitoring of this provision. In Georgia, preschool-aged children with disabilities receive their special education and/or related services in their local school districts.
