

# REEVALUATION WAIVER

Student Name: _____	D.O.B. _____	GTID: _____
School System: _____	Date: _____	

A reevaluation must occur at least once every three years, unless the parent and the public agency agree that a reevaluation is unnecessary. The opportunity for a parent and the public agency to agree that a reevaluation is unnecessary occurs before a reevaluation begins. Therefore, a parent and a public agency may agree that a reevaluation is unnecessary before the review of existing evaluation data occurs. The review of existing data is part of the reevaluation process and does not occur if the parent and public agency agree that a reevaluation is unnecessary.

The parent and public agency representatives listed below have agreed that a reevaluation is unnecessary for \_\_\_\_\_.

The student remains eligible for special education and related services under the disability category(ies) listed below:
