CHARTER AMENDMENT FOR
SAVANNAH CLASSICAL ACADEMY CHARTER SCHOOL
AMENDMENT NUMBER 1

The State Board of Education ("State Board"), Savannah- Chatham County Board of Education 
("Local Board"), and Savannah Classical Academy Charter School ("Petitioner") (collectively 
referred to as "the parties") agree to amend the Charter School Contract for Savannah Classical 
Academy Charter School ("Charter Contract"). This amendment, which shall become effective 
upon the last signature, shall be referred to as "Amendment #1"

WHEREAS, the aforementioned parties entered into the Charter Contract for the operation of 
Savannah Classical Academy Charter School beginning on or about July 1, 2019, and

WHEREAS, the Local Board passed a resolution seeking to amend the Charter Contract for the 
purpose of outlining the Local Board’s provision of in-kind services to Savannah Classical 
Academy Charter School for the charter school’s proportionate amount of federal funds.

NOW THEREFORE, in consideration for the promises made herein, the parties mutually agree 
to amend the Charter Contract as follows:

1. Section 15 shall be amended by inserting the following new Section 15(j), to read as 
follows:

   j. Federal Funding – Proportionate Share and In-Kind Services. The Local 
   Board shall distribute to the Charter School the proportionate amount of federal 
   funds for which the Charter School is eligible under each federal program, as set 
   forth in Appendix C. Notwithstanding, the Petitioner and Local Board may enter 
   into a two-party agreement that identifies how some or all of the Charter School’s 
   proportionate amount will be satisfied through the provision of in-kind services by 
   the Local Board. The State Board is not a party to the in-kind services 
   agreement. However, in accordance with O.C.G.A. § 20-2-2068.1, a copy of the 
   in-kind services agreement between the Petitioner and Local Board is attached and 
   incorporated as Appendix C.

2. Section 40 shall be amended by deleting and inserting the following new Section 40, to 
read as follows:

   40. Entire Agreement. With the exception of Appendix C which is a two-party 
   agreement between the Petitioner and the Local Board, this Charter sets forth the 
   entire agreement among the Petitioner, the Local Board, and the State Board with 
   respect to the subject matter of this Charter. All prior contracts, representations, 
   statements, negotiations, understandings, and undertakings among the Petitioner, 
   the Local Board, and the State Board are superseded by this Charter. The petition 
   submitted to the Local Board and the State Board serves only as the formal 
   application for the Charter School and does not constitute a contract or any type of 
   agreement among the Local Board, the State Board, and the Petitioner.
