

160-4-9-.05 CHARTER SCHOOLS PETITION PROCESS.

(1) CHARTER PETITION PROCESS.

(a) LETTERS OF INTENT. All applicants, including renewal applicants, who intend to submit a charter petition for local board of education (local board) consideration, shall use the Department's template to submit a letter of intent to both the Department and to the appropriate local board(s) at least six (6) months prior to the date on which the petition will be submitted to the Department. Petitioners should consult the Charter Schools Division website and consult with the applicable local school district(s) for timelines and requirements. Failure to submit a letter of intent shall not preclude an applicant from submitting a petition provided the applicant requests and receives a waiver for the letter of intent from both the Department and local district(s).

(b) CHARTER PETITION SUBMISSIONS TO LOCAL BOARDS.

1. Local boards shall adopt policies and publish deadlines regarding submission of charter petitions that are consistent with the timeline and requirements for charter petitions as outlined in this Rule. The Department may request that a local board revise any policy that precludes the uniform application of this Rule. Such policies shall provide for an in-person panel interview by, or a meeting with, the district to provide the district an opportunity to hear from the petitioner directly about district concerns or clarifications the district needs.

2. Pursuant to O.C.G.A. § 20-2-2064(a) and (b), a local board must, by a majority vote, approve or deny a petition no later than ninety (90) days after its submission, unless the petitioner offers an extension and the local board accepts the offer.

3. If the local board denies a petition directly by a vote of the local board to deny or indirectly by failing to vote within the requisite ninety (90) day review period, it must, within sixty (60) days of the denial, provide a written statement of denial to the petitioner and to the State Board of Education. A written statement of denial shall specifically state the reasons for denial and include a list of the deficiencies in the petition relevant to O.C.G.A. § 20-2-2063. If the local board cites that approval is not in the public interest, the written statement of denial shall include a detailed description of why approval is not in the public interest.

4. Unless granted written approval by the Department of an alternate approach to accomplishing these robust petition review goals, within the ninety (90) days a local district has to review a charter petition, the district shall provide a written statement to the petitioner indicating which of the following four groups the petitioner is in and, if appropriate, what they must do if they wish to revise and resubmit their petition:

(i) Rejection Group: These applications are flawed in some way that is irreparable and will be rejected for the current school year's Petition Review Cycle.

(I) The local district shall issue a rejection letter that informs such applicants that their application cannot be considered during the current school year's Petition Review Cycle.

(II) The rejection letter shall include a statement of the legal insufficiency that makes the petition irreparable.

(III) Applicants in this category are free to submit a brand new application in the following school year's Petition Review Cycle.

(ii) Revision Group: During the district's initial internal review and panel interview with the applicant, these applicants demonstrate minimum quality and compliance or less, and would require substantial and material revisions before their petition could be recommended by the district for approval by the local board of education.

(I) The local district shall issue a letter informing these applicants that they cannot receive an approval recommendation unless the required material revisions are made within thirty (30) days. This letter shall include mention of the district's agreement to the petitioner's granting the district ninety (90) additional days to accept or reject its petition.

(II) If an applicant chooses to make the substantial and material changes required, they shall resubmit their petition within the thirty (30) day window. Their resubmittal letter shall include mention of their granting to the district ninety (90) additional days beyond the initial 90-day review period to accept or reject their petition.

(III) Applicants will have only one opportunity to revise their application to make the substantial and material changes required.

(IV) Applicants that fail to make required revisions will have to wait until the following school year's Petition Review Cycle to submit a new application.

(iii) Clarification Group: During the district's initial internal review and panel interview with the applicant, these applicants demonstrate moderate quality and compliance or better, but require clarification and supplemental information to be submitted before their petition could be recommended by the district for approval by the local board of education.

(I) The local district shall issue a letter informing these applicants what clarification(s) and/or supplemental information is required. This letter shall include mention of the district's agreement to the petitioner's granting the district ninety (90) additional days to accept or reject its petition.

(II) If an applicant chooses to provide the required clarification(s) and/or supplemental information, they shall resubmit their petition within a thirty (30) day

window. Their response letter shall include mention of their granting to the district ninety (90) additional days beyond the initial ninety (90) day review period to accept or reject their petition.

(III) Applicants will have only one opportunity to provide the required clarification(s) and/or supplemental information.

(IV) Applicants that fail to provide the required clarification(s) and/or supplemental information will have to wait until the following school year's petition review cycle to submit a new application.

(iv) Approval Group: During the district's initial internal review and panel interview with the applicant, these applicants demonstrate near-perfect quality and compliance. For these applicants, the district will make a recommendation to the local board of education for approval of the petition without any further action on the part of the applicant.

5. If a local board denies a petition, the local board or the petitioner may request mediation by submitting a written request to the State Board of Education within thirty (30) days of the final denial. If the other party agrees to the mediation, the State Board of Education, or Charter Advisory Committee if directed by the State Board of Education to do so, may assign a mediator to be paid by the Department but reimbursed equally by the local board and the petitioner to assist in resolving issues which led to the denial of the petition by the local board.

6. If a local board approves a petition, within thirty (30) days of the approval:

(i) The local board shall deliver a copy of the petition they approved to the Department.

(ii) The petitioner shall deliver the approved petition to the Department for review by the State Board of Education. The petition shall be in accordance with all Department requirements, including those related to formatting, as described in this Rule, on the Charter Schools Division website and within the relevant charter school application.

(c) CHARTER PETITION SUBMISSIONS TO THE DEPARTMENT OF EDUCATION.

1. Charter petitioners shall ensure that petitions adhere to all application requirements and related timelines as established by the Department pursuant to O.C.G.A. § 20-2-2063 and as outlined in this Rule. Petitioners that have applied to a local school district must also provide a copy of their petition to the Department within thirty (30) days of submitting their petition to the school district. Petitioners should consult the Charter Schools Division website for applicable timelines and requirements. Failure to comply with timelines or requirements may delay or prohibit consideration of the petition until the following school year's petition review cycle.

(d) CHARTER PETITION REVIEW PROCEDURES BY THE DEPARTMENT OF EDUCATION.

1. The Department shall process all charter petitions submitted to the Department on behalf of the State Board of Education as outlined in this Rule.
2. The Department shall coordinate with the Charter Advisory Committee, as applicable, to facilitate their review of petitions and their subsequent recommendations to the State Board of Education.
3. The Department reserves the right to reject incomplete and/or legally insufficient charter petition submissions.
4. The Department staff shall first review petitions to determine if they are complete and meet the legal requirements for submission, not so as to require approval but so as to allow further review.
5. If a charter petition is deemed to be deficient, the petition shall be rejected and the petitioner notified of the reasons for that rejection.
6. Those petitioners who have submitted a petition that is deemed to be complete and to meet the legal requirements for submission, shall attend an interview with Department staff as part of the petition review process. A majority of the members of the charter school governing board are required to be in attendance at the interview. The goal of the interview is to gauge the petitioner's overall capacity to sustain operations of a high-quality charter school with regard to academics, operations, governance, finance, and compliance with all non-waivable law, rules, and guidelines.
7. The Department shall make recommendations to the State Board of Education for approval or denial of a charter contract and shall specify to the State Board of Education the reasons for its recommendation.
 - (i) The maximum term for both initial and renewed charter contracts approved by the State Board of Education shall be five years.
8. Existing charter schools may not apply for renewal to a new authorizer. Existing charter schools seeking to switch authorizers must apply to the new authorizer as a new petitioner. Existing charter schools may petition the State Charter Schools Commission (SCSC) for approval as provided by O.C.G.A. § 20-2-2085 and in accordance with the policies and processes of the SCSC. Existing charter schools that meet the definition of a "high quality charter school" for the past three years (or over the life of the school, if the school has been open for fewer than three years) as established by the Department may be eligible for an expedited review in accordance with policies developed by the Department.
9. The local school governing team of a system charter school may petition to become a conversion charter school, not subject to the terms of the system charter. In

the event that a system charter school becomes a conversion charter, the system shall reflect that change in their annual report.

(e) REVIEW PROCEDURES FOR DEPARTMENT REVIEW OF NEW AND RENEWAL CHARTERS GRANTED BY THE STATE CHARTER SCHOOLS COMMISSION.
