

CHARTER FOR CARROLL COUNTY CAREER ACADEMY

This Charter for Carroll County Career Academy (“Charter”) is entered into by and between the Carroll County Board of Education (“Petitioner” or “Local Board”) and the State Board of Education (“State Board”) (collectively referred to as “the parties”).

WHEREAS, the Local Board has approved a petition to establish an LEA start-up charter school pursuant to O.C.G.A. § 20-2-2060 *et seq.*, the Charter Schools Act of 1998 (“Charter Schools Act”);

WHEREAS, the State Board finds that the petition complies with the provisions of the Charter Schools Act and the rules, regulations, policies and procedures promulgated in accordance with O.C.G.A. § 20-2-2063 and further finds that the petition is in the public interest; and

WHEREAS, pursuant to O.C.G.A. §20-2-2064.1, the State Board grants this Charter to permit Petitioner to operate Carroll County Career Academy (“the Charter School”) in accordance with the terms and conditions of this Charter.

NOW THEREFORE, in consideration of the promises, mutual agreements, and covenants contained herein and other good and valuable consideration, the sufficiency of which is hereby acknowledged, the parties agree as follows:

1. **Charter Term.** The State Board grants this Charter to Petitioner to operate the Charter School for a ten-year term beginning on July 1, 2009, and expiring on June 30, 2019.
2. **Age and Grade Range.** The Charter School shall enroll students who range in age from 14 through 20 and shall serve students in grades 9 through 12, who are simultaneously enrolled in one of the Carroll County public high schools (“Home High School”).
3. **Mission Statement.** The Charter School’s mission is to ensure a viable 21st century workforce for West Georgia.
4. **Career Academy Features.** The Charter School shall partner with West Central Technical College and will utilize a dual-enrollment model. The Charter School shall function as an extension of each students’ Home High School, and while the Charter School shall not have an Adequate Yearly Progress (“AYP”) designation, AYP shall be reported through the student’s Home High School.
5. **Blanket Waiver.** In exchange for the Charter School’s agreement to meet or exceed the performance-based goals and measurable objectives set forth in Section 6 below, the State Board shall grant flexibility to the Charter School in the form of a blanket waiver. Pursuant to O.C.G.A. § 20-2-2065(a), the Charter School shall be entitled to the maximum flexibility allowed by state law from the provisions of Title 20 of the Official Code of Georgia Annotated and from any state or local rule, regulation, policy, or procedure established by the Local Board, State Board or the Georgia Department of Education (“Department”). Notwithstanding this blanket waiver, the

Charter School shall comply with the terms of this Charter, the Charter Schools Act, including the provisions set forth in Section 14 below, and any rules, regulations, policies, or procedures established by the State Board consistent with the Charter Schools Act.

6. Performance-based Goals and Measurable Objectives. In exchange for the flexibility granted in Section 5 above, the Charter School agrees to meet or exceed the following performance-based goals and measurable objectives that are designed to result in improvement of student achievement:
 - a. Goal 1: The Charter School will exceed the majority of United States Department of Education annual benchmark and accountability measures in the Carl D. Perkins Career and Technical Education Improvement Act during the term of this Charter.
 - b. Goal 2: The Charter School will increase the number of students graduating annually. This increase will be calculated by comparing the graduation rates of students who attend the Charter School against the average graduation rate of all Carroll County high school students who do not attend the Charter School. For all students attending and receiving diplomas from Carroll County high schools, if the Charter School graduation rate exceeds the average of all high schools, and if the Charter School graduation rate increases annually, this would suggest a positive correlation between the annual Carroll County graduation rate and the Charter School enrollment. The graduation rate will increase by an average of 1% per year during the term of the Charter.
 - c. Goal 3: The Charter School will increase the percentage of Carroll County students dual-enrolled in career and technical post-secondary programs by 2.5% per year during the term of this Charter.
 - d. Goal 4: The Charter School will increase the number of Carroll County students in work-based learning programs by 2.5% per year during the term of this Charter.
7. Assessment and Accountability. Notwithstanding Sections 5 and 6 above, the Charter School is subject to all accountability and assessment requirements set forth within Title 20 of the Official Code of Georgia Annotated and any corresponding State Board Rules, including but not limited to the accountability provisions of O.C.G.A. § 20-14-30 through § 20-14-41. The Charter School further is subject to all federal accountability requirements under No Child Left Behind.
8. Annual Report. The Charter School shall submit an annual report by October 1 of each year following the first year of operation that complies with all requirements set forth in O.C.G.A. § 20-2-2067.1(c), including but not limited to an indication of the Charter School's progress towards the goals and objectives stated in Section 6 above and all state-mandated assessment and accountability scores from the previous year.

9. Open Enrollment and Admissions. The Charter School shall comply with the open enrollment and admissions provisions set forth in O.C.G.A. § 20-2-2066. Enrollment shall be open to any student in accordance with the following criteria:
- a. Attendance Zone. Enrollment shall be open to any student who resides within the attendance zone, which is defined as the Carroll County School System.
 - b. Application. To be eligible for enrollment at the Charter School, students residing in the attendance zone must submit a timely application to the Charter School in accordance with the deadline set by the Charter School. The Charter School may not use admissions criteria or applications that would not otherwise be used at a traditional public school, including requests for letters of recommendation, essays, resumes, or information regarding a student's school or community activities, grades, test scores, attendance record, or disciplinary history. The Charter School may use applications for the purpose of verifying the student's residence within the school's attendance zone. The Charter School may gather relevant information from students after enrollment is determined.
 - c. Random Lottery. If the number of timely applicants received by the Charter School exceeds the capacity of a program, class, grade level or building, the Charter School shall ensure that such applicants have an equal chance of being admitted through a random lottery.
10. Withdrawal without Penalty. The Charter School shall comply with the provisions of O.C.G.A. § 20-2-2066(d) for withdrawing students. The Local Board agrees that a student may withdraw without penalty from the Charter School at any time and remain enrolled in the student's Home High School or enroll in another public high school in the Carroll County School System.
