

Executive Summary for Liberty County Schools Charter Amendment

Amendment to the Original Charter for Liberty County Schools

Liberty County Schools proposes the following amendment to the original charter approved by the Liberty County Board of Education in July 2014.

Liberty College and Career Academy will be listed as an Essential or Innovative Feature in the charter system contract.

ESEA information will be changed to reflect the recent transition to ESSA.

Rationale for the amendment:

The amendment will incorporate the CCA as part of the charter system.

Charter System Resolution

WHEREAS, the Liberty County Board of Education is committed to providing students a high quality education that includes opportunities to participate in rigorous learning experiences that promote college and career readiness.

WHEREAS, the Liberty College and Career Academy is a charter school in Liberty County, Georgia and operates as a partner to the district's high schools to provide college and career opportunities through partnerships with higher education and local businesses.

WHEREAS, the current charter contract between the Liberty College and Career Academy and Georgia Department of Education will expire in June 2016.

WHEREAS, the Liberty County School System became a charter system in July 2015.

WHEREAS, the Liberty County Board of Education believes that Liberty College and Career Academy should be added to the Liberty County charter agreement as one of the district's innovative programs.

NOW, THEREFORE, be it resolved that the Liberty County Board of Education requests that the Liberty College and Career Academy be included in the charter agreement between the Liberty County Board of Education and Georgia Department of Education.

Adopted this 26th day of April, 2016

Chairperson, Liberty County Board of Education

Superintendent, Liberty County School System
