GaDOE Responsibility 1: Create public school choice transfer form annually and makes it available to parent(s) on the GaDOE web site.

- b. The GaDOE will work with parent(s) and a school district to determine if a transfer to a State School is an appropriate placement based on the needs of the student as outlined in the IEP.

GaDOE Responsibility 3: Assist parents to determine a student's eligibility by making a scholarship calculator available annually for parent(s).

- a. The GaDOE will calculate annual GSNS scholarship amounts for students newly entering the program based on an eligible student's segment information from the October (FTE-1) and March (FTE-3) data collection during a school year.
- b. Eligibility of a student for the GSNS Program is determined using the final FTE-1 and FTE-3 data records and final student record as submitted by a school district.
- c. Post scholarship calculator for parent(s) of potential GSNS students on the GSNS web site no later than May 15 of each year.

GaDOE Responsibility 4: Develop and apply objective criteria for authorizing potential private schools.

- a. The GaDOE annually makes available an application for private schools interested in participating in the Georgia Special Needs Scholarship for the upcoming fiscal year. The application will explain all criteria required to become a private school authorized to participate in the GSNS Program.
- b. The GaDOE develops and applies objective criteria for processing applications from private schools. GaDOE reviews applications internally to ensure private schools meet eligibility requirements as stated under O.C.G.A. § 20-2-2112 (6) and § 20-2-2115.
- c. The GaDOE recommends private schools that have submitted completed GSNS applications and meet the eligibility requirements outlined in the GSNS law to the State Board of Education for authorization.

- a. Annual scholarship amounts paid for GSNS students are dependent on annual appropriations by the Georgia General Assembly.
- b. The maximum scholarship granted a GSNS student pursuant is the amount equivalent to the costs of the educational program that would have been provided for the student in the resident school system as calculated under O.C.G.A. § 20-2-161.
- c. The GaDOE will verify GSNS student information submitted by private schools against internal FTE records submitted by school districts to verify eligibility of students for the GSNS Program enrolled at a private school.
- d. Per O.C.G.A. § 20-2-2114 (5)(b) and § 20-2-2116 (b) if tuition and fees charged by a private school are higher than a student's scholarship award, parent(s) is financially responsible for paying the additional cost. If tuition and fees charged by a private school are less than a student's scholarship award, the lesser amount will be paid by the GaDOE. The GSNS Program by law will always pay the lesser of the two amounts.
- e. A GSNS student must be enrolled and attending an authorized private school for a majority of school days during a payment cycle to be eligible to receive payment for that cycle. If a student withdraws from a private school and does not attend for a majority of a payment cycle and does not transfer to another authorized private school, no scholarship payment for the student will be issued. The payment calendar posted on the GSNS web page will indicate what the majority date is for each payment cycle of the current school year.
