

Synopsis of Proposed Amendment to Rule 160-4-2-.34 Dual Enrollment

State Board of Education Rule 160-4-2-.34 *Dual Enrollment* is being amended to specify that Option B students entering 9th grade in the 2022-2023 school year and beyond must complete and pass both the American Government course and the Personal Finance & Economics course as a part of their required secondary course options in O.C.G.A. § 20-2-161.3.

The amendment also updates language related to the American Literature and Composition requirement that was approved by the State Board of Education in March 2021 to remove the language “[b]eginning in the 2021-2022 school year” and incorporate within the standing rule requirements.
