# Georgia

my county  
and state

Retail Consumer Goods	Fabric & Raw Cotton	Food: Chicken
Automotive Parts	Resins & Rubber	Kaolin Clay
Industrial Chemicals	Machinery	Wood Pulp

Savannah handles  
nearly 40% of the U.S.  
containerized  
poultry exports

Since the late  
1700s, the Savannah  
Ports has provided  
Georgia with many imports

Because of the ports  
more local producers are  
able to get their products out  
to national markets before man  
inland producers can

S.S.  
CHATHAM
