

Deficits Reported Per O.C.G.A. §20-2-67

The districts below were issued an Audit Report that included an **unassigned fund balance deficit** for either the FY 2018, FY 2019, or FY 2020 reporting period. The deficit may have been subsequently eliminated. The listing includes all Audit Reports issued as of September 30, 2021. The deficit must have been reported in the Audit Report to be included on this listing. Please contact the school system or askgadoe@gadoe.org for further information regarding the deficits of school systems.
