

# Budget Reports Submitted to GaDOE Per O.C.G.A. §20-2-167

The Georgia Code requires the Department of Education to display the annual budget submitted to the State Board of Education pursuant to Code Section 20-2-167. To meet this requirement, GaDOE is currently updating the collection process to allow the final budget submitted for each fiscal year to be downloadable in a pdf format for any selected school system. The searchable database is expected to be available by December 1, 2018. In the interim, please contact [askdoe@gadoe.org](mailto:askdoe@gadoe.org) to request a budget report for a school system.
