

Budget Reports Submitted to GaDOE Per O.C.G.A. §20-2-167

The Georgia Code requires the Department of Education to display the annual budget submitted to the State Board of Education pursuant to Code Section 20-2-167. To meet this requirement, GaDOE updated the collection process to allow the final budget submitted for each fiscal year to be downloadable in a pdf format for any selected school system. The searchable database is available for final budgets beginning with FY 2018. The final budgets are available [here](#).
