

Creating a WIDA Secure eLearning Account 2020-2021

1. ESOL Coordinator creates a list of all educators wanting to participate in WIDA self-paced eWorkshops. List contains: Educators' first and last name, school name, role, and work email address.
2. ESOL Coordinator provides list to the STC.

The System Testing Coordinator (STC) contacts WIDA Client Services to create secure accounts

STC sends spreadsheet to WIDA Client Service:
help@wida.edu

or

The System Testing Coordinator (STC) creates the WIDA eLearning accounts for the educators using the list provided by the ESOL Coordinator.

Only WIDA secure eLearning accounts
have access to the WIDA eLearning
