- Assessment

The EL Language Program

Must be paid for with state and local funds!
Requirements for Districts
Title VI of the Civil Rights Act and the Equal Education Opportunities Act

1. Identifying all EL students
2. Provide ELs with a language assistance program
3. Staff and support for all EL language programs
4. Provide ELs with meaningful access to core curricular and extracurricular programs
5. Create an inclusive environment and avoid the unnecessary segregation of all ELs
6. Address all ELs with disabilities
7. Serve all ELs who opt out of EL programs
8. Monitor and exit ELs from EL programs once language acquisition is acquired
9. Evaluate the effectiveness of a district’s EL program
10. Ensure meaningful communication with EL parents
What that means for LEAs…

All schools, regardless of their number of ELs, are responsible for meeting requirements of an EL language program.
What are the Title I requirements regarding providing educational services to English learner (EL) students?

• In Title I, Section 1111(b)(1)&(2) there are requirements for adopting English language proficiency (ELP) standards and ELP assessments

• All ELs must be tested annually on the ESSA required annual language proficiency and content tests (ACCESS & GA Milestones)
What are the Title I requirements regarding providing educational services to English learner (EL) students?

- ESSA Title I, Section 1112(e)(3)(A) requires that the parents of EL students be notified that their student has been identified for participation or is participating in the district’s supplemental EL program.
- In addition to this, Title I has some specific requirements regarding the parents of ELs.
  - Title I, Section 1112(e)(3)(C) requires that districts that receive Title I funds “implement an effective means of outreach to parents of English learners.”
ESSA - Assessments

Under ESSA, the following Title III provisions remain under Title I:

1. EL students must be assessed in English (reading), mathematics, and science

2. Accommodations may be provided to EL students on state content assessments, as appropriate; and

3. The English proficiency of ELs must be assessed and reported annually (ACCESS for ELs assessment in GA)
Process to Monitor LEAs’ ELP Assessment Participation Rate

1. Annual Notification of LEA’s ELP Assessment Participation Rate

2. If rate is below 95%: Completion of student-level justification and implementation of corrective action procedures in collaboration with Assessment, Special Ed, and Federal Programs

3. Technical Assistance provided by Titles IA & IIIA specialists, as applicable

4. Pre-administration training webinars provided by Assessment
(See Title IA & Title IIIA Handbooks for more information)
ESSA - Parent Notification

Under ESSA, the following Title III provisions have been shared with Title I and are the responsibility of both:

1. Notify parents within 30 days of the district identifying students as ELs from the beginning of the school year, and 10 days if a student enrolls in an EL program during the school year

2. Provide this information to parents, to the extent practicable, in a language they can understand
ESSA – Title I, EL Parent Outreach

Under ESSA, the following Title III provisions have been identified under Title I and the Parent and Family Engagement Policy should now include:

1. Conducting effective parent outreach to inform EL parents on or about how they can be involved in their child’s education, to help their child attain English proficiency and meet state academic standards.
2. Implementing outreach to EL parents to include holding and sending notices for regular meetings to respond to recommendations from EL parents.
3. Identifying barriers affecting participation by EL parents in Title I activities.

*ESSA, Section 1114*

Instructional services to enhance *entire* academic program
Inclusion of ELs in Title I Programs / Services

• English learners are automatically included in the population of Title I eligible students in Title I schools that operate as a schoolwide Title I program. This is because all students in a schoolwide school are considered Title I students.

• In a targeted assistance program, English learners are also eligible for Title I services based on the same measures used to identify other students.
Use of Title I Funds for ELs

*Title I funded programs must be *supplemental* to the core EL Language Program!*

Suggested supplemental activities for ELs eligible for Title I and their families to help meet the needs identified in the comprehensive needs assessment process:

- Extended day programs, such as tutoring, summer school, or intersessions
- Supplemental, evidenced-based ELA, math, science, social studies, or world language instruction (which may include the students’ native languages)
- Supplemental instructional materials and technology to help ELs meet grade-level state standards and address language needs
