Georgia’s ESSA Plan

The Every Student Succeeds Act (ESSA)

Georgia’s ESSA Plan details how our state is supporting children and schools with supplemental federal resources

“With the passage of Every Student Succeeds Act, we have an enormous opportunity to reshape Georgia education and get rid of the standardized one-size-fits-all model that became prevalent under No Child Left Behind.”

-State School Superintendent Richard Woods
GaDOE has adopted the Georgia Systems of Continuous Improvement as a methodology for supporting districts and schools. This methodology focuses on improving districts/schools’ systems.

GCEL 2020
What is the CLIP?

• Consolidated LEA Improvement Plan (CLIP)
• GaDOE is required to collect plans that define how LEAs will support their students when accepting federal funds under The Elementary and Secondary Education Act of 1965, as amended by the Every Student Succeeds Act (ESSA) of 2015
• The CLIP outlines how LEAs will coordinate all of their supplemental federal fund sources to meet identified student needs in the district
• The Georgia Systems of Continuous Improvement is the common framework that GaDOE uses to communicate with LEAs about their coordination efforts

Consolidated LEA Improvement Plan (CLIP)

Georgia's local educational agency (LEA) Consolidated Application includes the Consolidated LEA Improvement Plan, or “CLIP”

The CLIP fulfills the need for a plan from LEAs to be collected by the Georgia Department of Education (GaDOE) to define how the LEAs will support their students when accepting federal funds under The Elementary and Secondary Education Act of 1965, as amended by the Every Student Succeeds Act (ESSA) of 2015

The Online CLIP

Online option - application in the SLDS

• Is the LEA in need of a formalized process for establishing a plan specific to the needs to be addressed with its Federal Funds under the ESEA/ESSA Law?

• Were there a significant number of recommendations given by the FY20 CLIP Review Team during its review of the LEA’s FY20 Online or S-CLIP submission?
Unified Support for Charter Schools

GCEL 2020
The Streamlined Option (S-CLIP)

- Does the LEA have an existing School Improvement Process and/or Strategic Plan and/or Charter Contract that fully addressed identified needs being targeted for Improvement through all its supplemental Federal Programs, Resources, and supports?
- Does the LEA have a strong understanding of ESEA/ESSA requirements?

Data Analysis
Unified Support for Charter Schools
GCEL 2020
Data Analysis – What is it?

• Data analysis is observing the data and noting things that are the same and different and using that data to form hypotheses

• The CLIP asks us to identify and analyze data from four different perspectives:
  • Perception
  • Process
  • Achievement
  • Demographic
Unified Support for Charter Schools

GCEL 2020

Data Sources – SI Dashboard and Beyond

• Perception: These are the attitudes and beliefs held by stakeholders who have a vested interest in the school/LEA success
  • Star Climate Rating, Parent Surveys, Staff Surveys, Other Stakeholder Surveys, CCRPI (Family Engagement), Title I Annual Survey

• Process: This data shows how schools/LEAs achieve success
  • Curriculum, Instructional Strategies, Evaluation, Assessments, Materials, Interventions, TKES/LKES, Per Pupil Expenditure

• Achievement: This is student achievement on various assessments of performance, generally aligned with State Standards
  • GA Milestones, Local Assessments, Graduation Rates, Lexile Scores, Assessments related to purchased programs (Read 180/MAP, STAR,RI and MI)

• Demographic: This data about the school/LEA population
  • Discipline, Student/Teacher Attendance, Participation Rates, Subgroup numbers (FTE)
Unified Support for Charter Schools
GCEL 2020
Putting it into action

• Needs Identified from Data Analysis
  • Increase the percentage of **ALL** elementary students in English Language Arts scoring in the proficient category
  • Increase the percentage of Students with Disability (SWD) scoring in the proficient category
Unified Support for Charter Schools
GCEL 2020
Writing the Analysis

• Your analysis is a short persuasive statement that states your hypothesis (need) and the data that supports the need identified

• An example of a response to the CLIP question “What does your achievement data tell you? (2.6.3)
  • In Elementary ELA our developing students need support to move to proficient. 48.2% of our Elementary ELA students are performing at the proficient or distinguished level with 31.93% of our students performing at the developing level. Support for the developing students will help them move to proficient performance”

• Action Step: This is an action the LEA will complete to achieve the goal
  • Professional learning on differentiated instruction for all ELA elementary teachers

• Funding Sources: This is the funds you will use to complete the action step
  • Title I, Title II, IDEA, Title IV

• Subgroups: This is determined by the data analysis for students who are most at risk
