

Dear Parents,

The purpose of this activity is to improve the reading fluency of your student. Here are some activities you can do at home.

Activity #1A: Model Reading for Fluency

1. Choose a book or a magazine with your child.
2. Read a passage from the book aloud to your child while sitting side by side.
3. Have the child read the same passage aloud to you.
4. While the child is reading, make notes of the mistakes on a separate sheet of paper.
5. Discuss the mistakes.
6. Read the passage again.
7. Practice this activity at least 2 – 3 times a week.

Activity #1B: Model Reading for Expression

1. Select one of the poems provided.
2. Take turns while reading the poem aloud.
3. Read the poem with expression.
4. Remember, you will be reading the same poem throughout the year because the idea is for the children to improve their expression.

Activity #2: Data Collection

1. Time student reading aloud for one minute.
2. At the end of one minute, student counts the number of words read correctly.
3. Record words on Oral Fluency Record Sheet to measure progress toward goal.
