FY22
Consolidated LEA Improvement Plan (CLIP)
State Commissioned Charter Schools
Q & A

Coordinating Federal Resources through Georgia’s Systems of Continuous Improvement

July 26th, 2021
1:00 p.m.
CLIP Overview & Key Points

The CLIP is the plan that defines how the LEA will support their students when accepting federal funds:

• Based on Comprehensive Needs Assessment (CNA) - Data
• Involves stakeholders
• Outlines how federal funds will address identified needs
• Alignment between CLIP, budget & expenditures
• Due by July 31st. Can request an extension to Aug. 31st by requesting through SLDS.
• Approved by GaDOE
• Amended at any time
CLIP Guidance Document

- The FY22 CLIP Guidance document is a great resource to learn about the CLIP and requirements.
- LEA staff should read all documents and view the webinars posted on the Federal Programs [website](#).
CLIP Options

LEAs have two (2) options to consider:
All CLIP applications – either option – are accessed and submitted to the GaDOE through the secure Statewide Longitudinal Data System (SLDS).

New charter LEAs access via an external link. Check with John Wight (jwright@doe.k12.ga.us) if you need assistance.
CLIP Roles in the SLDS

• Access through your Student Information System

• SLDS Roles Required for CLIP
  • District User (view, edit)
  • District Administrator (view, edit, submit)
  • District Superintendent (view, edit, submit)

• Access is provided by your LEA’s SLDS/portal security officer.
CLIP Selection - Annually

Consolidated LEA Improvement Plan (CLIP)

School Year
District:

CLIP Online

Streamlined CLIP (S-CLIP)

The CLIP Online option is the GaDOE’s main ESSA plan collection path and includes the tools, templates, and resources necessary to complete the LEA’s annual application for using its federal awards.

The Streamlined CLIP (S-CLIP) option is an alternative ESSA plan collection path. An LEA that already has in place a locally developed school improvement process and/or current strategic plan and/or charter system contract may choose this path to complete the LEA’s annual application for using its federal awards.
Clone Feature - Annually

**Selected CLIP Option:** CLIP Online

This is the first time you are creating the CLIP application for this year. Please choose from the following options:

- Clone From FY21 State Approved Copy
- Blank CLIP
Filing for CLIP Extension

FY22 CLIP Submission Process

The submission process for Part I of the CLIP will be aligned to a rolling submission window in FY22. The submission window for Part I components will open on March 1, 2021 and will close on July 31, 2021. This early and extended window for CLIP Part I submissions will allow LEAs the potential to gain CLIP Part I approval, thus readying them for immediate access to FY22 funding when the State Board of Education meets to approve and award FY22 federal formula grant funds at its July 22, 2021 meeting. (An LEA needing an extension to August 31, 2021 must submit a request within the SLDS. The Superintendent or District Coordinator may submit the request to GaDOE. The request should include the reason for the date extension.)
CLIP Training & Resources

Resources and materials can be found on the GaDOE website here:

http://www.gadoe.org/School-Improvement/Federal-Programs/Pages/LEA-Consolidated-Application.aspx
Equity Action Plan

SAMPLE:
Equity Intervention EI-1
Provide targeted teacher development on content, pedagogy, student supports and interventions

1. Professional development for teachers in reading
2. Training for all teachers in the writing
3. PLC that analyzed formative assessment ELA data
4. Academic coaches model lessons and debrief with teachers
Foster Care Transporation Plan

- Plan shows a change of date for the year
- Plan is jointly reviewed with GA DFCS and stakeholders and updated for FY22
- Any needed updates to coordination procedures are included

This document is found on our website.
LEA Parent and Family Engagement Policy

- Plan shows a change of date for the year
- Plan is jointly reviewed with stakeholders and parents and updated for FY22
- Parent input is reflected as a result of the required meetings for meaningful consultation

This document is found on the FSP website.

FY22 CLIP review criteria may be viewed here.
