Critical Summary

- Title III is federal funding that supplements (goes above and beyond) your State ESOL funding, which is based on your ESOL FTE.
- Title III funds **may not** fund anything necessary to run your basic, high-quality ESOL program (see Budget Training PPT)...**NOR** can Title III fund anything that is required by **other** Title programs **or** the Office for Civil Rights.
- To use Title III funds on something required by a different law, by OCR or that is otherwise provided to non-ELs, would likely constitute “supplanting”.

Title III-A English Learner Program Requirements

Title IIIA Statute

Title III requires that you...

Provide effective, additional language instruction to select EL students beyond your State ESOL program – an effective LIEP.

Provide effective, ongoing sustained EL-focused professional learning related to teachers, administrators, and any other staff in contact with EL students.

Develop effective, additional activities/strategies to enhance the Title III LIEP by engaging EL parents and community members in it.

Presumption of Supplanting:

1. Are the expenditures or activities required by other Federal, State, or local laws?
2. Were the expenditures or activities funded in previous years by other programs or non-federal funds?
3. Would the expenditures or activities happen in the absence of Federal funds?

Note: The LEA's ESOL program to be described in **Question 1** is NOT the LEA's Title III-funded program, as described in Questions 2 through 5. The ESOL program must not rely upon federal funds and must be: 1. Based on sound educational theory, 2. Adequately resourced and 3. Periodically evaluated for success. *[Castañeda v. Pickard, 1981]*

1. STATE-FUNDED CORE LANGUAGE PROGRAM. Describe the LEA's state/locally-funded ESOL program, activities and materials. [Sec. 3121 (a)(1)] For LEAs in which schools are consolidating Title III funds, the entirety of the language support program (federal, state and local) will be described here.

Direct vs. Indirect Admin Funds

 - Includes DIRECT Admin Costs + Audit Costs.
 - Includes both Functions 2230 + 2300
 - **Does not** include Indirect costs
 - If consolidating administrative costs, put the entire 2% in #2230/882
- Indirect Cost rate must match the LEA's negotiated FY20 Title IA indirect cost rate. (see worksheet)
 - Charging indirect costs to the Title IIIA grant is **not required**

Common Budget Errors: Functions 2230 & 2300 - Admin

- More than the 2% CAP on the **original** allocation amount
 - Rounded up instead of down, when cents involved...
- Used wrong codes
- Lack of job description for personnel
- Didn't split-fund the job description
- Didn't use the correct Indirect Cost rate

Common Budget Errors: Functions 2210 & 2213 - PD

- ESOL teacher monthly meetings – required for an ESOL program, not Title IIIA
- Title IIIA director’s travel to conferences focused on grant administration (GCEL & Summer F.P. Conf), not on instruction of ELs (GATESOL, KSU/ESOL, UGA CLASE) – must be coded in 2230 instead
- Paying for ESOL teachers’ travel to conferences funded locally or with other federal funds

Common Budget Errors

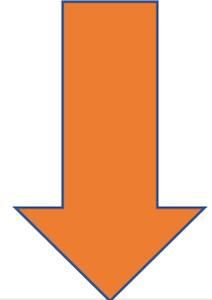

- Paying for certifications or PD that was paid for last year with other federal or local funds
- Paying for ESOL teacher training to administer the K-WAPT and WIDA Screener and ACCESS
- Paying Instructional Coaches to administer the ELP screeners & assessments (unless working with participating private schools after contracted hours)
- Paying for ESOL Coaches to work with principals to schedule EL students in ESOL courses

Common Budget Errors: PD Travel

- Unreasonable/unnecessary/excessive travel expenses: lodging, meals per diem, taxi fees, flight upgrades, etc.
- Not following Federal Programs and state guidelines
- Traveling to a non-EL-focused PD activity

Common Budget Errors: Function 1000 (LIEP)

- Private School set aside doesn't match the posted equitable services allocation for the private schools
- Purchasing ESOL classroom equipment & supplies
- Not uploading job descriptions (formal & informal per job)
- Not specifying the split-funded sources on job descriptions
- Not including the subscription year for digital language learning resources' licenses

Common Budget Errors: Function 2700 (Transportation)

- When using several federal programs to fund transportation & summer school – not clarifying the share of costs aligned to the share of population
- Paying for ESOL teachers' & ESOL Coordinator's travel from school to school (this is ESOL, not Title IIIA)

Selecting Evidence-Based Interventions

Page 113 of the Federal Programs Handbook

- LEAs must specify in the budget line item description whether the strategy/intervention is supported by a **strong, moderate, or promising evidence base or demonstrates a rationale** that is documented by a logic model on file with the LEA.
- This requirement applies to these budget function codes: 1000, 2100, 2210, 2213, 2400, 2900.
- **Supporting documentation will be reviewed during monitoring visits.**

Remember the Federal Programs' Handbook & Budget Webinar!

Identifying the Level of Effectiveness

1. EL Program Plan attachments

May attach a completed Effectiveness Level template or RATIONALE/ Logic Model template, (as needed) for each Title III-funded program/activity.

See [Title III website](#) for FY20 templates.

2. Budget line item descriptor(s)

LEA must label the *Level of Effectiveness Evidence* for each strategy, activity and intervention in Functions **1000, 2100, 2210 & 2213** (*Strong, Moderate, Promising, or Logic Model*).

See [Federal Program Handbook](#), Overarching Requirements, **Chapter 9**, pp. 117-125.

Common Budget Errors: Attachments

- None attached, but some needed
- Unclear, incomplete job descriptions
- Split-funded positions unclear which duty aligns with which source fund
- Field Trip Form missing or incomplete
 - Field trip is not language focused for ELs
 - Field trip is not pre-approved
- Indirect Costs Worksheet not attached, when applicable

Common Budget Errors: Effectiveness Label

- Missing
- Incomplete
- Indicating Strong, Moderate, or Promising when no research evidence exists – It should have been Logic Model / Rationale

Ready to Submit the Budget?

- Is the CLIP approved?
- Are all outstanding audit and monitoring findings cleared?
- Are all the EL Program Plan questions answered thoroughly?
- Does the budget align with the Program Plan?
- Does each description in the budget line items give enough detail and clarity to demonstrate federal cost principles (allowable, allocable, necessary, reasonable)?
- Have I used the LEA's negotiated rate for Indirect Costs, if these are being charged to the grant?

Ready to Submit the Budget?

- Are the Function & Object Codes used correctly?
(See FY20 Budget tools!)
- Is the set-aside amount for private schools' equitable services equal to the [FY20 proportionate share](#) posted on the Ombudsman website (p. 25)?
- Are the necessary attachments uploaded?
- Does the budget include all the information as described in the *Budget Guiding Questions Chart*?

Managing the Expenditure of the Title IIIA Funds

After the Budget is Approved

- Develop a good relationship with your Finance Department!
- Your finance department should enter the budget, as approved by the GaDOE, into the local financial accounting system and update it as budget amendments are submitted and approved.
- Implement approved budget activities within the grant period of performance
- Do not purchase anything that isn't in the approved budget.
- Do not use Title III-A funds to purchase items or services for non-ELs, including those who are not served in ESOL or who have exited EL status and are in the two-year monitoring phase.

After the Budget is Approved (Cont.)

- Spend and draw down your Title III funds in a timely manner. The funds are intended to benefit the current year's students.
- **Best Practice**: Review, sign and date each draw down request prior to submission to the GaDOE. This will provide an extra level of budget monitoring to help you catch possible errors.
- Submit a budget amendment whenever changes are necessary.

After the Budget is Approved (Cont.)

- Title III-A requires that an amendment be submitted whenever there is a change in the budget. For example, if you submitted a budget for after school tutors for \$3,000 (1000-199) but later discover that the cost of the tutors will be \$3,455, a budget amendment must be submitted.
- Once the amendment has been approved by the GaDOE, share it with your finance department so they can update the budget as entered into the local accounting system.

After the Budget is Approved (Cont.)

- Request Expenditure Detail reports from your finance office on a regular basis.
 - Review to ensure that expenditures have been coded to the correct function/object codes, as approved by the GaDOE.
 - Review to ensure that expenditures within each function/object code do not exceed the approved budget.
 - If errors are identified, work with your finance office to correct the errors.
 - Remember: The expenditure detail report must match the most recently GaDOE approved budget!

Uniform Grant Guidance

- The LEA Title III Director is expected to manage Title III expenditures by adhering to the Uniform Grant Guidance in the Administrator's Handbook on EDGAR, 4th Edition (2018).

See 2CFR Part 200!

Internal Controls

- The LEA establishes and implements procedures for ensuring that federal **funds are expended according to program requirements, evaluated, and monitored for effectiveness**, and that **expenditures adhere to Federal Cost Principles** as outlined in 2 CFR Part 200, Subpart E.
 1. **Allocable**
 2. **Allowable**
 3. **Necessary**
 4. **Reasonable**

See Title III Program Guide

Supporting Documentation

See Title III

- The LEA maintains *Detailed Expenditure Reports* that are organized by funding source, site, function, and object
- LEA maintains financial control
- LEA maintains source documentation for all expenditures:

 - invoices,
 - contracts, contract deliverables,
 - subscriptions,
 - agendas,

- Supporting documentation for the activity (tutors, additional compensation, etc.)
- Individual personnel activity record (PAR) signed by employee or supervisor with knowledge of the work performed
- Group PAR signed by supervisor with knowledge of the work performed

- If a micro-purchase is questioned, a review of websites would be sufficient to establish the cost as reasonable. (USDE FAQs on 2 CFR Part 200, Subpart D Question 19, March 17, 2016)
- USDE FAQs on 2 CFR Part 200, Subpart D Question 10, March 17, 2016 states that including vendors who are contractors in writing RFPs limits competition.

Suspension & Debarment

- Non-federal entities are subject to the non-procurement debarment and suspension regulations implementing Executive Orders 12549 and 12689, 2 CFR part 180.
- These regulations restrict awards, sub-awards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.

2 CFR §200.213

Suspension & Debarment Cont.

2 CFR 180.220 Procurement contracts included as covered transactions:

- Any contract or subcontract expected to equal or exceed \$25,000 must be checked against the System for Award Management (SAM) for suspension or debarment (includes contracted tutors)
- Evidence of the verification can be in the form of a date/time stamped print screen or other digital method that is readily available
- Documentation should include who checked, when it was checked and the query criteria

Search Records

Search Tips to Get Started:

- Looking for entity registration records or entity exclusion records in SAM? Use **Quick Search** if you know an entity's Business Name, DUNS Number or CAGE Code. Use **Advanced Search** to structure your search using multiple categories and criteria.
- Are you a Federal government employee? Create a SAM user account with your government e-mail address and log into SAM before searching to see FOUO information and registrants who chose to opt out of the public search.
- Conducting small business-focused research? In addition to what is contained in SAM, small businesses can provide the Small Business Administration (SBA) supplemental information about themselves. Use the [SBA's Dynamic Small Business Search](#) to conduct further market research.
- Trying to find a contractor participating in the Disaster Response Registry? Use the **Disaster Response Registry Search** to locate contractors willing to provide debris removal, distribution of supplies, reconstruction, and other disaster or emergency relief services in the event of a national disaster.

Title III-A Carryover

- Districts are expected to spend 100% of the original Title III-A allocation during the 15-month period of performance, per EL Program Plan.
- After the plan has been implemented, any unexpended funds may be carried over to the next fiscal year and must be 100% expended that year, NO exceptions.
- After the 27 months, any unexpended carryover funds are returned to the GaDOE.
- IF you didn't get an allocation this year, but had one last year, you need to open the Carryover budget from last year in this year's Program Page. And budget the carryover, even though you don't have an allocation this year.

Amendment Process

EDGAR 2 CFR Part 200.308

- After initial budget approval, any transfer of funds from one function or object code to another requires an approved budget amendment
- Must write the word **AMEND Increase** or **AMEND Decrease** or **AMEND NEW** in the Budget Line Item Description and specify why the increase or decrease. Budget line items cannot remain the same in an amended section.
- Changes must be supported in the CNA/DIP and align to the EL Program Plan (**NOTE:** You will need to update the EL Program Plan if major changes are made to the original budget!)
- Amendments are subject to a comprehensive review process, including the original budget.
- Amendments may be submitted until the end of the federal fiscal year (Sept. 30).

Title IIIA Completion Report

- Finance office will (most likely) create and submit the Title III-A Completion Report by October 31 of each year.
- **Best Practice:** Review the Completion Report prior to submission. It is very important that there are no over-expenditures in any function/object code area.
 - If you discover over-expenditures, submit a budget amendment before Sept. 30!
 - When the fiscal year closes on September 30, changes cannot be made.
- The Title IIIA Completion Report must match the final, approved amended Title IIIA budget.
