**Reflect on momentum and capacity**
- Determine action effectiveness
- Hold collaborative discussions to discuss results
- Make decisions to continue or change action

**Build on momentum and capacity**
- Implement the strategies
- Monitor and adjust action
- Ensure stakeholder participation

**Initiate the journey**
- Engage in training
- Build acceptance and stakeholder buy-in
- Deploy the plan

**Process**

**Expectations**

AdvancED and the Georgia Department of Education (GaDOE) have common expectations regarding the systems, structures, practices and conditions of quality classrooms, schools and districts. There is significant agreement between the AdvancED School and System Quality Factors and the expectations outlined in Georgia’s Systems of Continuous Improvement, therefore, we share the understanding that an aligned system of continuous improvement is needed to achieve school and district goals.

**Tools and Resources**

- **Data Collection and Diagnostic Tools:** Classroom Observations, Climate and Culture Surveys, Student Engagement Surveys, Stakeholder Inventories
- **eProve™ Web-based Platform**
- **Training and Support Services**
- **Professional Services**
- **External Evaluation and Certification**

**Outcomes**

- **Accelerate learning opportunities**
- **Enable growth and high achievement**
- **Strengthen readiness for college, careers and life**

While the GaDOE supports the alignment of tools and resources to optimize classroom impact, AdvancED supplies unparalleled, state-of-the-art tools and resources needed to guide, support and inform school and district improvement.

**AdvancED and the GaDOE have a common vision for education in Georgia. Combining the research-based and experiential strengths of AdvancED with the GaDOE creates a unified and streamlined vehicle to propel schools and districts to a more robust environment resulting in higher expectations, standards and results for all learners.**
