This section provides resources for parent notifications required by Title I, Part A in the ESSA. Included in this section are templates for conducting the Annual Title I Parent Meeting to disseminate information and a checklist for distribution of required documents.
Title I, Part A, Section 1116 of the Every Student Succeeds Act (ESSA) requires that each school served under Title I, Part A, distribute to parents and family members of participating children a written district-level and school-level parent and family engagement policy and school-parent compacts. All documents must be distributed to parents in a timely manner. The district-level and school-level Parent and Family Engagement policies should have a reference to the chosen methods of distributing the information. As the school and district representatives are reviewing the documentation of multiple distribution methods, they may use the following checklist to record the evidence.

Each school that receives Title I funds must convene an annual parent meeting to inform participating parents about the school’s Title I program and their rights to be involved. This meeting should be held in a timely manner at the beginning of the school year, prior to November 1, and should be a meeting to inform only and not seek formal input for the current year’s parent and family engagement policies, school-parent compacts, building school staff capacity, or parent and family engagement budget.

To assist schools in their planning and facilitation of the annual Title I parent meeting, the Georgia Department of Education offers examples of two different meeting formats that schools can utilize. Schools are encouraged to use these sample agendas and meeting handouts to review the required components of the annual Title I parent meeting.

Length of the workshop: 1.5 hours*

WHAT YOU WILL NEED:

- Other key staff as needed
- Screen/projector/computer for presentation slides or visuals
- Meeting Feedback Form
- Light refreshments/child care/transportation (optional)

GUIDE

Follow the suggested agenda on the back of this page allowing time for welcoming comments as well as questions, and sharing of contact information at the end. It is suggested to spend about 20 minutes on agenda items 1–6, about 10 minutes on agenda item 7, about 10 minutes on agenda items 8–9, about 15 minutes on agenda item 9, about 5 minutes on agenda 10, and about 15 minutes on agenda item 11–12.

Facilitator Tip: To make the delivery of information more interesting, include parents and students as speakers or facilitators. Also, look for ways to provide opportunities for two-way communication, so the meeting does not appear just as a school lecture. Utilize technology resources such as video and audio to engage attendees, as appropriate. Hold the meeting in a central location within the school attendance zone to help with parent attendance.

Final Note: You may want to do more than the law requires for this meeting to increase parent attendance at the meeting. Some schools do this by making the focus of the meeting more fun for students and parents (by showing off a school project, incorporating student entertainment or a student-parent activity, highlighting community partners, etc.) However, it is crucial that this meeting have as its central focus and be advertised as the Annual Title I Parent Meeting. Furthermore, the Annual Title I Parent Meeting may be conducted before or after a school event, but not embedded within the event in which parents were not aware that the purpose of the Annual Parent Meeting was to learn about the Title I program.

*1.5 hours allows time on the front and back end of the meeting for parents to mingle, ask questions and feel comfortable in the meeting environment. It should only take about 1–1.25 hours to deliver the content, but it is crucial for parents to feel a part of the school so do not rush the information or fail to take questions.

Annual Title I Parent Meeting: Facilitated Sample Narrative

Length of the workshop: 2 hours*

What you will need:

- 5 round tables and chairs spread out across the room
- Chart paper or 3’ sections of butcher paper
- Chart markers
- Screen/Projector/Computer for PowerPoint
- 1 large group facilitator/time keeper
- 5 facilitators (staff members or parent leaders)
- Printed out copies of questions for the 5 different Table Topics

Facilitator Tip: If you have more than 50 parents at your meeting, you may want to split up the topics and add more tables, or duplicate topics so there are two sets of tables for each topic. You want your parents to feel comfortable to ask questions and you may not want more than 10 parents in each group.

Guide:

Welcome & Explanation of the Event (20 minutes)

Greet your parents and introduce yourself and staff members.

Suggested language, “Good Evening (Morning), we’d like to welcome you to our Annual Title I Parent Meeting and thank you for coming. We have childcare in Room #, if you haven’t taken your children there yet, you can do so after I finish explaining what we’re going to talk about tonight/this morning. There are a few refreshments in the back of the room, please help yourself. We want tonight/today to be casual and for you to leave with some great information about Title I as well as information parents should know about our school. Before we begin our small group discussion, I’d like to give you a little background information regarding Title I.”
(With the large group discuss: 1) Definition of Title I; 2) Title I school funds; 3) School’s participation in Title I; and 4) Title I requirements.

“We have a lot of information about Title I that we would like you to know, but we also want to give you a chance to ask questions and have small group conversations with our staff and parent leaders. As you can see, we have split the room into five sections. At each section you will discuss a different part of Title I.”

**Introduce your facilitators and point to them:**

Table #1 – “(Name) will discuss the Title I Schoolwide Plan, Goals, and School-Parent Compacts”
Table #2 – “(Name) will discuss Curriculum, Standards, Assessments (WIDA ACCESS and Alternate Assessments), and the Statewide Longitudinal Data System (SLDS)” (Not all items may be applicable to your school)
Table #3 – “(Name) will discuss School and District Parent and Family Engagement Policies”
Table #4 – “(Name) will discuss Teacher Professional Qualifications, Report Cards, and the State’s Grades Report” (Not all items may be applicable to your school)
Table #5 – “(Name) will discuss Title I Parent and Family Engagement Funding and Parent and Family Engagement Opportunities”

**Facilitator Tip:** Feel free to rearrange, change, add, or delete table topics as needed to fit your group’s needs as long as you still cover all the necessary Annual Title I Parent Meeting requirements.

“You will have 14 minutes at every table. The staff person or parent leader I just pointed to will talk to you briefly about the topic at that table. We then want you to discuss the topic and ask questions. There are markers and paper at every table. Please feel free to write notes or questions on the paper. Be as creative as possible as we want this to be fun and interactive meeting. I will ring the bell after 14 minutes and then you will have 1 minute switch to the next table with your entire group. We’ll keep doing this until you get to all of the tables. Let’s number off.”

(Optional: Start with the first person and point, “You are #1,” next person and point, “You are #2”, repeat for 3, 4, 5 and then start at 1 again. All of the #1’s can you please go to that table, all of the #2’s can you please go to that table, etc.”)
Small Group Discussions (90 minutes)*

Time each section for 14 minutes, and give participants approximately 1 minute to switch tables. A lead facilitator, such as the Principal, with background knowledge on Title I should roam the room, listen to the feedback from parents, and answer any questions that table facilitators cannot answer.

Facilitator Tip: Instruct your table facilitators to provide the information on the Table Topics succinctly, leaving time for discussion at each table. Each topic should not take more than 5 minutes to explain. Families will learn more if they can ask for clarification on topics they do not understand. Also, ask facilitators to keep their comments neutral, refraining from opinions. Provide facts and information, and explain challenges the school may have, but let parents conclude their own opinions.

Closing (10 minutes)

“We’d like to thank you for coming tonight. We hope you found the information helpful and that you had a chance to meet our staff and other parents from the school. We have some flyers at the back of the room that will provide you with more information on some of the topics you discussed. Please feel free to ask us questions about Title I throughout the school year and know that staff is always available to help and support you and your children.

(Provide parents with a contact information sheet for the school/district that provides them with who to contact when they have questions about particular topics. Also, provide contact information on the closing PowerPoint slide).

We also have a feedback form (copy on bright paper) that we’d like you to fill out to help us improve this event for parents in the future.

(Provide parents with a copy of the feedback form and make that their ticket out the door).

We hope that you feel welcomed to be a part of this school throughout the year and thanks again for coming.”
Final Note: You may want to do more than the law requires for this meeting to increase parent attendance at the meeting. Some schools do this by making the focus of the meeting more fun for students and parents (by showing off a school project, incorporating student entertainment or a student-parent activity, highlighting community partners, etc.) Such activities should be held before or after the Annual Title I Meeting presentation. It is crucial that this meeting have as its central focus and be advertised and conducted as the Title I Annual Parent Meeting.

*If necessary, meeting could be shortened to about 1.5 hours if the table topics were limited to 10 minutes each instead of 14 minutes, while still allowing for the 1 minute transition between tables.

(Insert Meeting Location, Date, and Time of Meeting)

Welcome parents and community members!

We are glad to welcome you to our school’s Annual Title I Parent Meeting. There are a few light refreshments in the back of the room, please help yourself. Also, if needed, child care is available in room #. Please sign in your child before the meeting begins.

This morning/evening we will be discussing our school’s Title I program. We will cover some topics together as a large group and others in smaller groups. This way you will have an opportunity to ask questions, offer suggestions, get to know other parents, and participate in more detailed discussions.

As a large group we will discuss:

- What is a Title I school?
- How does our school spend Title I money?
- How does our school participate in the Title I Program?
- What are our school’s Title I (schoolwide or targeted assistance) requirements?

Then we will break into small groups and discuss the following items in more detail. You will have the opportunity to visit each table.

- Table #2 - Curriculum, Standards, Assessments (including WIDA ACCESS and Alternate Assessments), and the Statewide Longitudinal Data System (SLDS)
- Table #3 - School and District Parent and Family Engagement Policies
- Table #4 - Teacher Professional Qualifications, Report Cards, and the State’s Grades Report

  - Provide staff contact information
- Closing and evaluations
We encourage you to ask questions throughout the large group presentations and at the small group table discussions. We want to make sure you leave the meeting informed about the Title I program as well as the opportunities the school provides to get engaged in your child’s education. Thank you for coming! We hope to see you again very soon!
Previously stated in both Title I and Title III under the Elementary and Secondary Education Act (ESEA), the overarching parent and family engagement statute regarding notices to parents of participating English Learners (ELs) in supplemental language support is now under Title I, Part A, Section 1112(e)(3)(C) in the Every Student Succeeds Act (ESSA). Local educational agencies (LEAs) are required to send notification, in a language and format appropriate for the reader, to parents of ELs who have been selected to participate in the LEA’s Title III or Title I supplemental language program. The federally-funded Title III or Title I supplemental language program would be in addition to the state funded English to Speakers of Other Languages (ESOL) program.

Templates are available in English and 14 other languages for LEAs to use in notifying parents of participating ELs of their child’s eligibility for federally-funded supplemental language support programs. This notice also permits the parent to waive participation in the Title-funded services. Please note that this notification may not be applicable to all parents of ELs. It is only for parents whose EL student is receiving Title I or Title III funded services focused on English language acquisition. The Georgia Department of Education recommends that district Title I staff collaborate with Title III and ESOL staff to identify which parents of ELs should receive the notification. To download the templates, please visit the Family-School Partnership Program website at http://partnerships.gadoe.org. Navigate to the left-hand side of the webpage and click on the “Parent Capacity” link. Select the “Parents of English Learners” webpage. A copy of the English version of the template and a flowchart for determining support for ELs are on the following pages of this guide.

Title I Parent Notification of Student Eligibility for
Supplemental Language Support Services

Date:_____________________

Student Name: _______________________________________

Dear Parents:

As a student in our school district’s “English to Speakers of Other Languages” (ESOL) program, your
child receives effective language instruction from an ESOL teacher. As an English Learner, your child also
qualifies for additional supports that we offer to help improve his/her English skills. When your child exits
from the state ESOL program, we will also exit your child from these extra language services.

Your child’s English skill was most recently tested with the: □ Kindergarten W-APT® or MODEL ®;
□ WIDA Screener®; or □ ACCESS for ELLs 2.0® and received an overall score of _______. Scores
lower than ________ qualify a child to be placed in the ESOL program.

We offer the additional supports below to help improve your child’s listening, speaking, reading and
writing skills in English as well as support his or her academic needs. For high school students who
receive these additional supports, the graduation rate is _____%. Please note that if your child has a
disability, his/her language program services are developed together with special education staff and they
support your child’s Individualized Education Program (IEP).

NOTE TO LEAs:
Remove this highlighted section and list your district’s Title I or Title III-funded supplemental
language program/activities here. (Do not list the basic, State- mandated ESOL program
offerings.)

You must indicate: the methods of instruction used in the federally-funded program offered to the
student as well as the methods of instruction used in other available programs, including how
such programs differ in content, instructional goals and the use of English and a native language
in instruction, and how the program(s) selected for their student will specifically help their child
learn English and meet age-appropriate academic achievement standards for grade promotion and
graduation.

You have the right to refuse these additional supports for your child. If you would like to decline
participation for your child, talk about the different supports offered, or learn about parent meetings, please
contact the person whose name, phone number, and e-mail are listed below. Thank you.

Due to the implementation of the new federal law, the Every Student Succeeds Act (ESSA), the designations of Priority Schools and Focus Schools as well as the Flexible Learning Program (FLP) are no longer required after the 2016-2017 school year; therefore, parent notifications with a FLP description of services and eligibility are not applicable. Beginning in the 2018-2019 school year, the Georgia Department of Education identified schools that need additional support and improvement. As required by ESSA, the new designations are Comprehensive Support and Improvement (CSI) schools and Targeted Support and Improvement (TSI) schools. When CSI and TSI schools were identified, schools may or may not have been a Priority or Focus school in previous years; however, these schools no longer have the Priority or Focus school designation. For more information about designation status of schools, please visit the Division of School and District Effectiveness website at http://www.gadoe.org/School-Improvement/School-Improvement-Services/Pages/default.aspx.
All schools must provide notification to all parents regarding their right to request teacher and paraprofessional qualifications. This parent right to know notification must be shared at the start of the school year. For a sample parent notification template, visit the Title II, Part A Resources webpage at http://www.gadoe.org/School-Improvement/Teacher-and-Leader-Effectiveness/Pages/Professional-Qualifications-(PQ).aspx
The Georgia General Assembly passed a state law in 2009 (House Bill 251) called Intradistrict Transfers. As required by the Official Code of Georgia Annotated (O.C.G.A.) §20-2-2131, school systems must inform parents of their intradistrict transfer rights. All notification must be made prior to July 1 of the upcoming school year. Please refer to the Georgia Code at http://www.legis.ga.gov/en-US/default.aspx for additional information.
