What is a School-Parent Compact?

It is a written commitment describing how all members of a school community—parents, teachers, principals, and students—agree to share responsibility for student learning. This compact helps bridge the learning connection between school and home.

Did You Know?

- Parents, students, teachers and faculty members work together to develop our school-parent compact. Each school year, two meetings are held for parents, teachers, and students to compare the compact with school data to review our progress and assess our goals.

Focus Area
To help students be strong writers across all content areas, we will focus on the following areas to improve student writing skills—

- Write analytic arguments with valid reasoning and claims.
- Produce clear and coherent writing in which the development, organization and style are appropriate.

Increasing Literary Skills
1B As a school - We will facilitate and utilize student-led conferences for students to share their literary portfolios and goals, including a review of their writing samples from the monthly school-wide writing days designated for students to write on specific topics in a clear and supportive style.

2 As a parent - I will participate in student-led conferences and provide constructive feedback, learn ways to support student goals, and discuss the samples of my student’s persuasive writing.

3 As a student - I will maintain a literary portfolio that will include the self-evaluation of my reading and writing goals, as well as ongoing samples of my writing completed during monthly school-wide writing days.

Improving Vocabulary
1B As a school - We will distribute a list of literary terms for parents and students to master at home in addition to teacher recommended educational Web sites for extra practice in developing vocabulary, and provide parents with a progress log to monitor students’ practice on the vocabulary Web sites.

2 As a parent - I will ensure that my student masters the list of literary terms by the end of the first nine weeks, and ensure my child spends 45 minutes every week practicing on the recommended vocabulary Web sites by reviewing the student usage record and signing off on the weekly progress log provided by the school.

3 As a student - I will work with my parent to master the list of literary terms by the end of the first nine weeks, and complete 45 minutes each week of vocabulary practice on the recommended Web sites and include my signed progress log in my literary portfolio for conferences.

Building Better Writers
1B As a school - We will provide students and parents with a “Writer’s Checklist” to assist students and parents with the essential elements of standard written and spoken English.

2 As a parent - I will review samples of my student’s writing three times a month and use the “Writer’s Checklist” while discussing teacher feedback with my student.

3 As a student - I will routinely refer to my “Writer’s Checklist” to guide my writing and learn ways to strengthen my writing style and structure.
