

GHP2013

To make a deposit on your student's ID/OneCard:

- Go to the OneCard eAccounts page: <http://www.vsu1card.com>
- Click on **Make An Online Deposit To Flex**.
- Click on **Make a Guest Deposit** at the bottom of the page
- Input your student's first name (what you gave us as their preferred name if it's different than their actual first name), last name, and the student's email address. The page asks for a VSU email address, but use your student's regular email. (If you're not sure what email we have on file, please email dlyles@doe.k12.ga.us to ask.)

There is a minimum deposit of \$25. We suggest putting the minimum on, since any funds left over at the end of the program are not refundable. Besides the laundry facilities, most snack machines and all campus food court places accept the OneCard for payment.
