What to See in a Good Social Studies Inquiry Lesson

Essential Question

- Open-ended
- Recurs over time
- Transferable ideas
- Requires justification
- Higher order thinking

SWIRL

Speaking
Writing
Illustrating
Reading
Listening

Source Analysis

- primary and secondary
- documents
- images
- visual & audio media
- artifacts

Civic & civil discourse

- debate
- discussion
- engagement
- taking informed action

Historical Thinking*

- multiple perspectives
- sourcing (why, when, how)
- context
- claims/evidence & guided argumentation

* historical thinking encompasses economic decision making, geospatial reasoning, and civic mindedness as well as thinking like an historian.
