

## Your Leadership, Now

Consider initiatives you are currently leading in your district/school

### Essential Question

How do school leaders design and support alternative educational options with a focus on-

District/School Focus Current Initiative	Leadership approach	Evidence that this approach is what's needed	Next action steps
Meet the needs of a target population			
Design a suitable setting			
Support appropriate services			
Ensure a successful structure			

Adapted from 2018 McREL International District Leadership that Works
