

# Remote Learning Tips

## *For School Leaders*

**1**

Develop a continuity plan that addresses school vision, non-negotiables, and expectations for instruction

**2**

Create an inclusive communications plan to meet the needs of all stakeholders

**3**

Discuss clear expectation on how students' progress will be monitored and shared

**4**

Outline professional development supports for teachers and school leaders

**5**

Establish a support system for induction teachers

**6**

Be clear on the amount of time students are to engage in remote learning

**7**

Establish the academic baseline to identify abilities and needs of students

**8**

Describe how you will be an inclusive leader by ensuring equitable access to quality instruction

**9**

Put in place essential whole child supports and interventions

**10**

Determine ways to support the mental health and wellbeing of staff
