

### Is it true 'highly qualified' is gone?

Highly Qualified is no longer required by or reported to United States Department of Education (USDE).

### What does ESSA say about qualifications?

- 1) ESSA says that State Education Agencies (SEAs) and Local Education Agencies (LEAs) must ensure teachers meet applicable state certification requirements [Sections 1111(g)(2)(J), 1112(c)(6)]. In Georgia, under OCGA § 20-2-2065, state certification can be waived for most teachers, meaning that each LEA that waives certification must establish professional qualifications (PQ) for their teachers.
- 2) ESSA says the SEA must report information on the qualifications of the teachers including out-of-field.

### How can my LEA ensure that teachers meet PQ and ESSA In-Field?

Establish professional qualifications that take subject matter competency into consideration either by requiring certification or the GaDOE accepted equivalent.

### OUT-OF-FIELD

Teachers who do not hold state certification (or, for strategic waiver or charter LEAs, the equivalent) in the subject and/ or grade level(s) assigned
