As a charter school district, the Candler County School District waives teacher certification. The district will monitor assignments and new hires to in order to ensure professional qualifications are met.

Certification is waived for all teachers except Special Education teachers.

For teachers employed in Candler County (except Special Education), the minimum qualifications include:

1) degree in subject area assigned OR
2) coursework in subject area assigned - 21 semester/35 quarter hours OR
3) passing score on content area test in subject area assigned OR
4) 5 or more years of success in a field directly related to the subject area taught (for example: Emergency Medical Technician courses may be taught by an EMT with at least 5 successful years of work experience).
