| Commerce City Schools is a charter system. Therefore, the district waives certification for teachers (O CGA 20-2-2065). During 2018-2019, certification is currently being waived for the following positions- the music teaching positions (grades K-8); reading position in sixth grade; high school math position; physical education position (grades 6-8); and long-term substitute positions for high school agriculture, special education, and high school family and consumer sciences for maternity leaves.
