  - TLSD Support

Georgia Department of Education

How do I access the new platform & what's in it?

Accessing the New Platform

Richard Woods,
Georgia's School Superintendent
"Educating Georgia's Future"
gadoe.org

- TKES/LKES Platform is now accessed through the SLDS link found in the District's SIS
- Initial Setup completed by D5 Super User in the Profile Manager assigning roles as either the TKES/LKES_ADMIN or TKES/LKES_USER
- The ADMIN will setup the platform roles in the MY STAFF section
  - SIS user information must match what is entered into the platform
- Staff accessing the platform must have access to a SIS login.

Current Features – TKES/LKES

Richard Woods,
Georgia's School Superintendent
"Educating Georgia's Future"
gadoe.org

- Re-open Feature– Observations can now be opened individually without impacting other observations.
- Observations – The evaluator who submits the Observation will now display as the Evaluator's Name in the Observation
- Full/Flex Remediation – Staff on a Full or Flex plan can now be assigned to Remediation.
- Administration Page – More staff management options are available, such as, staff can be assigned to multiple schools, moved to and from a school, and deleted.

Current Features – TKES/LKES

Richard Woods,
Georgia's School Superintendent
"Educating Georgia's Future"
gadoe.org

- School year dropdown – A dropdown menu is available enabling switching between the previous school year and current school year.
- Additional printing option – A print icon is now available for evaluators to print evaluations from the MY STAFF TKES/LKES page.
- Report enhancements – Deactivate Staff (Show/Hide/All), Overall Rating filter and Overall Rating column has been added to the Evaluation Observation Report, Overall Rating filter has been added to the Summative Assessment Report.
- New Reports – Staff Report, Self-Assessment Report

Georgia Department of Education

Popular Questions

FAQ

Richard Woods,
Georgia's School Superintendent
"Educating Georgia's Future"
gadoe.org

- Social Security Number is required to access the platform
- GNETS are currently accessible to the platform. Other Programs (not schools) would access the platform as they normally would access the platform through SLDS
- Staff can be associated to more then one school/district but there will always be just one evaluation
- We will not load CPI data into the platform unless requested by a district.
- The Superintendent, HR Admin, and Principal role will be automatically assigned all staff who have been assigned a plan in the district and/or school.
- The Principal TKES/CP Rights only role will be automatically assigned all staff who have been assigned a TKES or CP plan in their school
