EOPA Application

When the EOPA application becomes available after Student Class sign off, each district will flag students that took a pathway assessment and indicate whether the student passed the assessment. EOPA records may be updated using one or more of the following options.

Three options for updating EOPA records:

- 1. Pathway Completers Online Entry** – Use this option to access the pre-populated list of pathway completers (eligible test takers) . From this list, you can indicate whether the student took the End of Pathway Assessment and whether the student passed the assessment.
- 2. Add Students Online** – Use this option to add students that successfully completed a pathway during the FY2018 school year and are not already in the pre-populated list.
- 3. Upload Records** – Allows districts to upload student data directly into the EOPA application. Use the EOPA File Layout located on the EOPA Main Menu – under ‘Current Documentation’.

EOPA APPLICATION - REPORTS

Two EOPA reports are available to assist the district in verifying the data reported:

- ✓ **Pathway Completers Skills Assessment Test Takers**
- ✓ **Pathway Completers District Summary and Signoff Report**

1. ***Pathway Completers Skills Assessment Test Takers***

This report is an *electronic version of the spreadsheet* previously used by CTAE coordinators to report the EOPA Test Takers data. It includes a count of students by school, pathway and assessment. There are links which allow the user to drill down and see the total students tested. This report can also be downloaded to Excel.

Reasons Why a Student May Not Appear on the EOPA eligibility Report

➤ **Reasons why a student may not be on the report:**

1. The student did not complete a pathway in 2018.
2. The student does not have a total of 3 units of credit for the courses taken in the pathway.
3. All of the student's course data was not reported over the 2013 to present Student Class cycles.
4. The student has historical course data from periods outside the Student Class cycle.
5. Student completed a pathway this year, but there is no assessment tied to that pathway.

EOPA Eligibility Report - Reminders

❖ Remember:

1. Student Class collects data related to the current school year.
2. The EOPA course data is matched based on the GTID.
3. The EOPA Eligibility Report is located on the *Student Class Menu* in Student Class *AND* the EOPA Main Menu.
4. The report may be used to **verify** students that completed a pathway this school year.
5. The report will enable districts to determine, in advance, which students will be pre-populated in the EOPA application.
6. Students that are not included on the report may be addressed directly in the EOPA application once the district has signed off on Student Class and has access to the EOPA application.
