

Questions and Answers from 2/2/21 Data Collections Update Webinar

	QUESTION	ANSWER
1.	Will CPI be discussed on this conference?	There are no changes to the CPI data collections. So, no, CPI will not be discussed today.
2.	We will get a new Superintendent at the end of March. How will I reflect that?	You will need to submit ticket using the Help Desk Portal link in the GaDOE Portal to get the Superintendent name changed on District page in the Portal.
3.	Is there a model where the teacher is not Gifted certified or endorsed?	No, if students are being served with gifted services, either the content teacher or an additional teacher must be gifted endorsed.
4.	Have all updates been made to SR so that we can rely on the reports and errors...or will more modifications be forthcoming?	At this time, all updates have been made. Having said that, if necessary, additional error/reports will be made if necessary. Any change that directly impacts the reporting of a data element will be communicated to the SR coordinators state-wide.
5.	I share the delivery model resource with my school level data managers. I do not give them a copy of the layout. Is it possible to add as an addendum that would list all of the error codes, not just the new ones, to the delivery model document? Then, for example, a school level person would know what the E219 edit says.	An updated version of the delivery module document will be posted by February 5, with all the error code messages included at the bottom.
6.	Are the Student Class errors (E7012, E7009, etc.) already added?	The new error codes in student class will start showing up when student class II opens the last week of February.
7.	What is the Newcomer Program for ESOL?	Some large school systems have a separate program/school where all newly enrolled EL students receive concentrated ESOL services before transferring to their zoned school.
8.	We recently received an email about the next Office of Civil Rights data collection. Will the GADOE be able to populate the next OCR data collection?	Yes, DOE will continue to assist districts by feeding the OCR system with as much data as we have available.
9.	Can an ESOL Innovative Delivery model be a 55.x course??	Yes, as long as the Innovative Delivery model is approved by DOE Title III office.
10.	The link doesn't seem to work for the EIP guidance. Can you give it to us?	https://www.gadoe.org/Curriculum-Instruction-and-Assessment/Curriculum-and-Instruction/2019%20%202020%20HLS/2020%20-%202021%20EIP%20Guidance.pdf
11.	Is there a EIP course number for students who take online classes?	To designate a course as EIP use xx.1. If the course is also online/virtual mark ONLINE=Y.
