Definitions

1. **Active:** An active student is a student who has an Enrollment Record with an **ENROLLMENT DATE**, but the **WITHDRAWAL CODE** and the **WITHDRAWAL DATE** are blank. If multiple Enrollment Records are submitted for a student from one school, an active student is one whose latest Enrollment Record has an **ENROLLMENT DATE** and no **WITHDRAWAL DATE**.

2. **Inactive:** Inactive refers to a student that has withdrawn from school. This is indicated in the Enrollment Record by data transmitted in the **WITHDRAWAL CODE** and **WITHDRAWAL DATE**. If multiple Enrollment Records are submitted for a student from one school, an inactive student is one whose latest Enrollment Record has an **ENROLLMENT DATE** and a **WITHDRAWAL DATE**.

3. **Part-Time Student:** A part-time student is a student who is reported with three (3) or less funded segments (of any class that has > zero weight) in FTE 1 or FTE 3. If the student has more than three (3) segments in either FTE 1 or FTE 3 (of any class that has > zero weight), then that student will be considered full-time and a full schedule of courses must be reported for the student in Student Class.

4. **Record:** A set of data that represents a single entry for one of the six eight levels of data in this document. Five of the record types may have multiple records for a single student. They are Course, Student Safety, Enrollment, Special Education, and Program record types. See record descriptions defined above.

5. **Edit:** An integrity and validity test on data transmitted. There are two types of edits: errors or warnings.

6. **Error:** A type of edit that causes a record to be rejected and not processed. An error message is generated and provides the reason the data did not pass the edit. **Note:** Data in records with errors is not included in reports.

7. **Warnings:** A type of edit that causes a record to be accepted, processed, and reported but the data are flagged for verification purposes. A warning message is displayed that provides the reason the data are flagged.

8. **Data Element ID:** The identifier used for the data element on the Student Record Data File Layout. Some System, School, Student, Enrollment, Course, Special Education, Student Safety and Program level elements have the same data elements, but each has a Data Element ID that starts with a 3-digit letter abbreviation. These data elements in common create a key. They indicate a relationship among several data elements.

9. **Layout ID:** The identifier used for the data element on the Student Record Data File Layout to specify the order of the element in file layout. Each layout ID is unique.

Overview of Record Types

SYSTEM LEVEL RECORD (Layouts A01 and A02)
- Information compiled at the district office for the entire system. One (1) A01 and one (1) A02 record is transmitted for each school system.
- **Error Messages**: An error message “E001” is automatically generated whenever an upload file does not contain System Level data. Districts will not be able to sign off with an E001 error.

SCHOOL LEVEL RECORD (Layout B)
- Information compiled at the school level. One (1) record is transmitted for each school in the school system. The collection of data for counseling services is no longer collected through the Student Record data collection.
- **Error Messages**: An error message “E002” is automatically generated whenever an upload file does not contain School Level data.

STUDENT LEVEL RECORD (Layout C)
- Data compiled at the student level. One record is transmitted from a school for each student enrolled at that school at any time during the school year.
- One record is transmitted for each student who attended this school, this school year, regardless of the number of times the student enrolled or withdrew from this school. A Student-Level Record must also be submitted for each student who attended this school last year and have a Withdrawal Record submitted this year.
- Data in the Student Level Record includes demographic data elements as well as data elements that describe a student’s participation in special programs, such as the Gifted program, Title 1 supported programs, and ESOL program. These data elements are not time sensitive. If the student participated in a special program at any time during the school year, that participation should be reported, even if the student is no longer in the program at the end of the school year.
- One (1) record must be submitted for each student regardless of whether the student is active or inactive at the end of the school year.
- A student may have multiple records within a system if the student was enrolled at different schools at different times within that system.
- ‘No-show’ students are not reported in SR unless the student subsequently enrolls in the district/school after FTE Cycle 1. A ‘No-Show’ student is a student who is not in attendance on the first day of school but expected based on prior year enrollment.
- **Error Messages**: An error message “E003” is automatically generated whenever an upload file does not contain Student Level data.

ENROLLMENT LEVEL RECORD (Layout F)
- A student may have multiple Enrollment Records submitted if the student entered and withdrew more than once during the school year. Any student reported with an Enrollment Record must have a corresponding Student Level Record. Likewise, if a student level record is reported for a student, there must be at least one corresponding enrollment record.
- The Enrollment Record contains data elements related to an enrollment/withdrawal record for a student. Every student reported as active in any other data collection (FTE 1 or 3) must have at least one Enrollment Record with a SCHOOL ENTRY DATE. When a student withdraws, the WITHDRAWAL DATE is entered into the same Enrollment Record.
- If a student re-enrolls, another Enrollment Record is created. Every Enrollment Record must have a SCHOOL ENTRY DATE. If there is no WITHDRAWAL DATE in the same Enrollment Record, the student is considered active. An Enrollment Record cannot have a WITHDRAWAL DATE without a SCHOOL ENTRY DATE.
- Attendance data for that period is reported on Enrollment Record. The data elements DAYS PRESENT and DAYS ABSENT in an Enrollment Record are specific for the enrollment period in that specific
Enrollment Record. If a student has multiple enrollment records at a school during a school year, then each Enrollment Record should reflect the number of days the student attended and was absent between the **SCHOOL ENTRY DATE** and the **WITHDRAWAL DATE** in that Enrollment Record.

**PROGRAM LEVEL RECORD (Layout K)**
- Data compiled at the program level. One record for a student should be reported for each assignment to a program (Alternate Ed, GNETS, Charter Career Academy, and Extended Learning Time). As such, a student could have multiple program assignment records reported.
- Because a student may have concurrent assignments to different programs, the program dates in multiple program records can overlap for the same student in the same reporting school.
- A student cannot have more than one record per **PROGRAM TYPE** and **PROGRAM CODE** for the same period of time.
- In-school suspension is no longer reported for this data element. This information is captured in the Student Safety records.
- A Program Level record is not reported for a student if the student did not have any program assignments.

**SPECIAL EDUCATION LEVEL RECORD (Layout G)**
- The Special Education Level Record is designed to collect timeline data for students with disabilities as well as students evaluated for special education services. Data is reported at the student level. Events should be reported by the district/school where the student is active.
  **The letter “I” is not used for a record level identification as it can easily be confused with the number one [1].**

**STUDENT SAFETY LEVEL RECORD (Layout E)**
- The Student Safety level record contains data elements related to a safety event for a student, which must be reported according to federal and state guidelines. A student may have more than one **(multiple)** Student Safety Records or may not have any student safety records to report.
- See the Student Safety Record layout (E) for **INCIDENT TYPES** and **ACTIONS** that must be reported. If a student has committed an infraction that has **INCIDENT TYPE** that must be reported, then both the **INCIDENT TYPE** and the **ACTION** must be reported, even if the **ACTION** taken is not, by itself, required to be reported. Similarly, if a student has committed an infraction that has **ACTION** that must be reported, then both the **INCIDENT TYPE** and the **ACTION** must be reported, even if the **INCIDENT TYPE** is not, by itself, required to be reported.

**STUDENT ADDRESS LEVEL RECORD (Layout H)**
- Data compiled at the student address level. One record is transmitted from a school for each student enrolled at that school at any time during the school year.
- One record should be transmitted for each student who attended this school, this school year, regardless of the number of times the student enrolled or withdrew from this school.
- **Student cannot have more than one Address record per school.**
- Data in the Student Address Level Record include demographic data elements for the address where the student currently resides, including the street address, city, state and zip code.

The BEGINNING DATE must be on or after the most current ENROLLMENT DATE for the student. If the student is continuing an alternative education placement from the previous year, the BEGINNING DATE would be the first day of enrollment for the student.

BI-LIT LANGUAGE 1
BI-LIT LANGUAGE 1 indicates the first language learned for the BI-LITERACY LANGUAGE DIPLOMA SEAL. If BI-LIT LANGUAGE 1 is not blank, then the student must be in GRADE LEVEL. If BI-LIT LANGUAGE 3 is not blank, then the student must be in GRADE LEVEL ‘12’, BI-LIT LANGUAGE 1 AND BI-LIT LANGUAGE 2 cannot be blank. BI-LIT LANGUAGE 3 cannot be the same as BI-LIT LANGUAGE 1 or BI-LIT LANGUAGE 2. See Appendix B: Language Code table for codes and description.

BI-LITERACY DIPLOMA SEAL
The BI-LITERACY DIPLOMA SEAL indicates the student has completed all the requirements for the BI-LITERACY DIPLOMA SEAL. A diploma seal is recognized by employers and post-secondary institutions as an indicator the student has achieved a higher level of proficiency in one of the diploma seal areas. A student can earn more than one seal. Not all students who graduate will earn a seal. Cannot be blank when WITHDRAWAL REASON = ‘G’.

CAPSTONE PROJECT

DATA TYPE INDICATOR identifies whether the record is a complete record with both the INCIDENT TYPE and ACTION CODE, or whether it is a continuation of a multiple incident event or a multiple action event. Every INCIDENT NUMBER must have a record with a DATA TYPE INDICATOR of ‘1’. If multiple incidents or multiple actions occur for an event, the data collection continues with a record containing a DATA TYPE INDICATOR of ‘2’ or ‘3’.

See Student Safety record layout for matrix of valid combinations for the reporting of the DATA TYPE INDICATOR, INCIDENT TYPE, CONTEXT AND LOCATION, and ACTION CODE.

DATE ENTERED NINTH GRADE
DATE ENTERED NINTH GRADE is the date the student enrolled in the ninth grade for the first time. Enter the date the student initially entered ninth grade in the format yyyyymmdd where yyyy is the complete year (e.g. ‘2011’), mm is the month (01-12), and dd is the date (01-31). The day (dd) in the DATE ENTERED NINTH GRADE field may be reported as 00 if the exact date is unknown. Enter only for students where GRADE LEVEL is ‘09’ – ‘12’. The DATE ENTERED NINTH GRADE cannot be a future date, nor can it equal the student’s DATE OF BIRTH, or include a year value that is less than 2000.

NOTE: For those students who enter school for the first time at a late age (age is equal to or older than ‘18’ by September 1) and are NOT placed in 9th grade, the district should leave DATE ENTERED 9th GRADE blank. The student will receive error E071, which can be relieved by submitting an error relief comment. To be relieved, the student should not have recent Enrollment history in GA.

DATE OF BIRTH
DATE OF BIRTH is the date of the student’s birth. Enter the DATE OF BIRTH in the format yyyyymmdd where yyyy is the complete year (e.g. ‘1990’), mm is the month (01-12), and dd is the date (01-31). Students should not be less than 4 years old unless enrolled in a special education preschool program. Special education students may be as young as 2 years old if transitioning from Babies Can’t Wait. The student’s age is calculated as of September 1st of the school year based on the DATE OF BIRTH reported.

DATE OF ELP SCREENER
The DATE OF ELP SCREENER is the testing date a student is screened for the EL program and is determined to be an English Learner (EL = ‘Y’) student. The date must be in the format yyyyymmdd where ‘yyyy’ is the complete year (e.g. ‘2002’), ‘mm’ is the month (01-12), and ‘dd’ is the date (01-31). All new EL students, even those from out of state, must have a date for their first EL screener.

DATE OF ENTR Y TO U.S. SCHOOLS
DATE OF ENTRY TO U.S. SCHOOLS is the date the student first enrolled in school in the United States. This date is required if the student was born outside the United States. It is optional for students born in the U.S., who left the country prior to attending school and are subsequently enrolling in a U.S. school. Under Section 3301(14), a student is considered “born in the U.S.” if born in one of the 50 States, the District of Columbia, or the Commonwealth of Puerto Rico. DATE OF ENTRY TO U.S. SCHOOLS is required for International Exchange Students. The date must be in the format yyyyymmdd where ‘yyyy’ is the complete year (e.g. ‘2002’), ‘mm’ is the month (01-12), and ‘dd’ is the date (01-31).

DATE STUDENT BECAME ELIGIBLE FOR GAA
This indicates the date the student was identified as a student needing an alternate assessment (GAA = ‘Y’). This would be the date of an IEP or IEP amendment meeting in which the GAA decision was changed.

DATE STUDENT IDENTIFIED NO LONGER ELIGIBLE FOR GAA
This indicates the date the student no longer qualifies for the GAA (GAA = ‘N’). This would be the date of an IEP or IEP amendment meeting in which the GAA decision was changed.

DAYS ABSENT
DAYS ABSENT is the total number of school days for which the student was absent from the reporting school during this school year. DAYS ABSENT must be in the range 0-179. Count of all days for which the student was absent more than one-half of the instructional day. Students may make up absences through Saturday school programs if the time and content provided is equivalent to the regular school day requirements.
Include only the days the student was absent from this school, not the DAYS ABSENT in any other school, even if the student came from another school in this same school system. If the student was withdrawn for part of this school year, report all days absent from this school for that enrollment record. If the student has enrolled and withdrawn multiple times during the year at the same school, the total DAYS ABSENT for each enrollment record should be reported. Do not include days “off roll” in the total of DAYS ABSENT. See UNEXCUSED DAYS ABSENT for subset of the days absent total.

DAYS MADE UP
DAYS MADE UP indicates the number of days the student was allowed to make up through an attendance recovery program. The number must be in range of 0 to 179 within a school. Field must be a whole number and right justified. Blanks or decimals are not allowed.

DAYS PRESENT
DAYS PRESENT is the total days the student was present for at least one-half of the instructional day during the enrollment period. DAYS PRESENT must be greater than zero and cannot be greater than 180 within school. Blanks or decimals are not allowed.

NOTE: If the student was withdrawn for part of the school year, report all days’ present in this school for that enrollment record.

DIPLOMA TYPE
DIPLOMA TYPE indicates the type of diploma earned by a high school graduate. A DIPLOMA TYPE is required if WITHDRAWAL REASON = ‘G’.

- If the DATE OF ENTRY IN 9TH GRADE is prior to FY2009, the diploma type options are College Preparatory (C), Vocational (Technology/Career) (V), Both College Preparatory & Vocational (Technology/Career) (B), Special Ed diploma (S), or Certificate of Performance (A).
- If DATE OF ENTRY IN 9TH GRADE is FY2009 or greater, the DIPLOMA TYPE must be General diploma (G), Special Ed diploma (S), or Certificate of Performance (A).

Note: Students who have received a regular high school diploma (General diploma) are no longer eligible for enrollment. This is referenced in SBOE Rule 160-5-1-.28 STUDENT ENROLLMENT AND WITHDRAWAL and O.C.G.A. 20-2-150.

DISCIPLINE PROCESS
DISCIPLINE PROCESS identifies the procedural options available to a student who is suspended (OSS), expelled, or assigned to an alternative education program for disruptive students. Codes are required for out-of-school suspensions greater than 10 days, for expulsions, and for assignments to alternative school due to disruptive behavior.

Valid values are:

- 01 - Tribunal/Hearing
- 02 – Waiver
• 03 - Neither
• Blank - n/a

**DUAL ENROLLMENT AWARENESS 11th GRADE**
Indicates whether 11th grade students were made aware of Dual Enrollment opportunities for the current academic year regarding scheduling, enrollment, and coursework guidance. Must be ‘Y’ or ‘N’. Cannot be blank.

**DUAL LANGUAGE IMMERSION (DLI)**
DUAL LANGUAGE IMMERSION (DLI) indicates that the student is participating in a dual language immersion program where the student spends at least half of their school day in the target language and the other half day in classes taught in English. Valid values are “Y” indicating that the student is participating in a DLI program or “N” indicating that the student is not participating in a DLI program. If the student is participating in DLI, then at least one course must have a language code entered for the data element IMMERSION LANGUAGE in Student Class.

**EL EXIT REASON**
EL EXIT REASON describes the method used to determine the student’s placement in the monitoring phase. The EL EXIT REASON is required when student’s EL status is ‘1’, ‘2’, ‘3’, or ‘4’.

ENDING DATE
ENDING DATE is the date service terminated for the student in the reported program. This is reported when a student is removed from a program identified in the Program level record or the student withdraws from the current school. An ENDING DATE is required for all program types. If service has not ended, date can default to the last day of school for the current year.

ENGLISH LEARNER (EL)
ENGLISH LEARNER (EL) indicates whether the student has been identified as having limited proficiency in English (ENGLISH LEARNER (EL)=‘Y’). EL students are frequently in the state funded ESOL program if such a program exists in the school, but they are not necessarily participating in the ESOL program. If a student is an ESOL student, then the student must be ENGLISH LEARNER (EL). Therefore, all ESOL students must also be coded ENGLISH LEARNER (EL) =‘Y’. If ENGLISH LEARNER (EL) =‘Y’, then a PRIMARY LANGUAGE must be identified.

Some students that have limited proficiency in English may not be in a state funded ESOL program. For these EL students, a NON-ESOL reason must be indicated.

Once a student has tested out of the ENGLISH LEARNER program, the student is monitored for 2 years to ensure that the student no longer requires ENGLISH LEARNER services.

- The first full year that a student is out of the ENGLISH LEARNER program, the student is marked ENGLISH LEARNER (EL) =‘1’.
- The second full year that a student is out of the ENGLISH LEARNER program, the student is marked ENGLISH LEARNER (EL)=‘2’.
- After two years of monitoring, the student should be reported with ENGLISH LEARNER (EL) =‘3’ (No longer EL; no longer monitored; tested out of ENGLISH LEARNER (EL) 3 years ago); the next year, ENGLISH LEARNER (EL) = ‘4’ (No longer EL; no longer monitored; tested out of EL 4 years ago).
- After 4 full years out of the ENGLISH LEARNER program, the student would be reported with ENGLISH LEARNER (EL) = ‘F’ (Former EL Student) for all subsequent years.
- If the student was incorrectly report as an ENGLISH LEARNER in the past and was never qualified as an ENGLISH LEARNER, report the student with ENGLISH LEARNER (EL) = ‘1’.

ENVIRONMENT CODE
ENVIRONMENT CODE indicates the type of residential environment in which a student resides or the type of school the student attended at any time during this school year at this school. Enter data only for those students for whom one of the codes below apply. For students where codes do not apply, leave blank.

Note: The total number of homeless students is the combined student count for ENVIRONMENT CODE ‘3’ and ‘4’.

**ETHNIC HISPANIC**

**ETHNIC HISPANIC** is a code that indicates the ethnicity of a student. The code is used to identify a person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race. **ETHNIC HISPANIC** must be ‘H’ (Hispanic) or ‘N’ (not Hispanic) for all students.

**EVENT CODE**

The **EVENT CODE** indicates the type of special education event that occurred for a student. Some codes apply to both regular and special education students. Others apply only to special education students as identified by the student’s **PRIMARY AREA**. Students may have multiple events reported each school year; however, students should not have more than one of each event code reported from a school within the same school year. The exception for reporting multiple events occurs when a student re-enters the special education program following a ‘09’ or ‘10’ event or is not placed in Special Education initially but is reconsidered within the same school year.

**Private school special education students with service plans are not reported in Student Record unless they are publicly enrolled at any point in the school year. See the Special Education level file layout for detail.**

For new special education students, report all initial events (02-06). If a student is made eligible as a child with a disability (SWD) late in the school year and services do not begin until the following school year, report events 02-05 in the school year during which the events occur. Do not report a Primary Area for these students. A student is not considered to be a SWD until services are initiated. Report the Initiation of Services, **EVENT CODE** = ‘06’, in the following year when services are initiated. Also, report a **PRIMARY AREA** during that reporting year. For existing students with disabilities report the Annual IEP Review (07) and/or Reevaluation (08, 15) if applicable.

</thead>
<tbody>
<tr>

</table>
Note: Student should not have more than one of each initial EVENT CODE (events ‘02’, ‘03’, ‘04’, ‘05’, and ‘06’) reported for a school within the same school year, unless student re-entered program following ‘09’ or ‘10’ event. A student may also have multiple initial placement events if the student was found not eligible initially (event ‘11’) or was found eligible and the parent refused to have the student served (event ‘12’).

Note: EVENT CODE ‘13’ should only be used to correct misreporting of a student as SWD in a prior year. EVENT CODE ‘13’ is intended to be used for misreporting in a prior school year, not the current school year. Current SWD data that was incorrectly reported should be deleted. This event will require an error comment before signoff.

Definitions Related to Special Education Events
(For more detail, see the Special Education Guidelines on the Student Record documentation website).

- **Initial Evaluation/Eligibility Determination** – This process is used to determine if the student qualifies for services. Both the initial evaluation and initial eligibility determination are required before a student with disabilities may receive special education and related services. The initial evaluation and eligibility determination must be completed within 60 calendar days of receiving parental consent for evaluation except for cases outlined in board policy where the school system has 90 days to complete the evaluation, or cases where the district does not have to meet the timeline. These dates are reported as EVENT CODE ‘03’ and ‘04’, respectively.

- **Placement Events** – These events provide dates for the initial evaluation and placement process that must occur before special education and related services are provided to a student with disabilities. When reporting special education data, events ‘01’ - ‘06’, and ‘14’ are considered placement events. These event dates do not change even if the student's PRIMARY AREA changes.

- **Annual/Triennial Events** – These events provide dates for ongoing evaluations and eligibility determinations required under IDEA. The annual review is the yearly process used to measure the student’s progress towards meeting the goals of the IEP. Each school district must ensure that a reevaluation occurs at least once every 3 years, unless the parent and school district agree that a reevaluation is not necessary. EVENT CODE ‘07’, ‘08’, and ‘15’ are used to report annual reviews and triennial reviews, respectively.

- **Exit Events** – These events provide dates for exit activity from the program. When a student continues to be enrolled in school, but is no longer eligible for special education, or the parent revokes consent, the activity is reported as an exit event. There are two exit events: ‘09’ and ‘10’. Report exit EVENT CODE ‘09’ when the student returns to general education, and report EVENT CODE ‘10’ when a parent revokes consent for placement.

- **Babies Can’t Wait (BCW) Transition** – The date of the BCW transition conference held no less than 90 days prior to the student’s third birthday. This date is reported as EVENT CODE ‘01’.
- **Parent Consent to Evaluation** – The date the district receives parent permission for an initial evaluation. This date is reported as **EVENT CODE '02'**.

- **Initial IEP Meeting** – This meeting date is to develop an IEP for the student and must be conducted within 30 days of determining that the student needs special education and related services. This date is reported as **EVENT CODE '05'**.

- **Initiation of IEP Services/Transition Service** – The date the student first receives special education services. This date is reported as **EVENT CODE '06'**.

- **Events Reported for the Current Year** – This phrase refers to the events reported for the current Student Record data collection. Student Record is an annual process that collects cumulative data for the current school year. The event date does not have to be in the current school year. It could be from a previous year. When the event is reported in the current year, it means the event (regardless of the event date) is reported in the current Student Record data collection.

**EVENT DATE**
This is the date of the event identified by the **EVENT CODE** in the Special Education level record. The format for the date is yyyyymmdd. The **EVENT DATE** cannot be blank, and it cannot be a future date.

**EVENT IDENTIFIER**
A sequence number (or some local number) that uniquely identifies the event that caused disciplinary action(s) for one or more students. This identifier allows one or more students to be tied to a single incident in one or more records. The identifier is only required when more than one student is involved in an event. Numbers, letters, and combinations of the two are valid. Special characters, such as commas and asterisks, are not valid.

**EXTENDED YEAR SERVICES**
**EXTENDED YEAR SERVICES** indicate whether special education and related services are provided to a student with a disability beyond the normal school year of the Local School System (LSS)/State Operated Program (SOP), in accordance with the student’s IEP and at no cost to the parents of the student. **EXTENDED YEAR SERVICES** may include a range of services offered during the summer or other days when school is not officially in session. Such services may include, but are not limited to, classroom instruction, home tutoring, transition, provision of related services, Saturday services, or assistance on skills that address specific goals targeted for ESY.

**FINE ARTS DIPLOMA SEAL**
The **FINE ARTS SEAL** indicates the student has completed all the requirements for the **FINE ARTS SEAL**. A diploma seal is recognized by employers and post-secondary institutions as an indicator the student has achieved a higher level of proficiency in one of the diploma seal areas. A student can earn more than one seal. Not all students who graduate will earn a seal. Cannot be blank when **WITHDRAWAL REASON** = ‘G’.

**FISCAL YEAR** (Key Element)
**FISCAL YEAR** is the year of record for the current Student Record data collection.

**FREE OR REDUCED-PRICE MEAL ELIGIBILITY**
**FREE OR REDUCED-PRICE MEAL ELIGIBILITY** indicates the most recent free or reduced meal status for a student. A student’s status may change during the school year. For example, a student may be classified as eligible for free meals at the beginning of the school year but may become a paid student by the end of the...
school year. In this case, the student would be reported as **FREE OR REDUCED-PRICE MEAL ELIGIBILITY = ‘N’** (a paid student) in Student Record.

**NOTE:** Each student must be coded individually unless **FREE OR REDUCED-PRICE MEAL ELIGIBILITY - SPECIAL PROVISION** = ‘Provision II Both’ or ‘CEP’ for the school in the Free or Reduced data collection, indicating the entire school is eligible for free meals.

**GAA (Georgia Alternate Assessment)**

The **GAA FLAG** identifies special education students that have courses accessing the general curriculum and the IEP indicates the GAA is appropriate for the student. GAA is a portfolio-based assessment for students in **GRADE LEVEL ‘KK’ – ‘12’** who have been identified as having the most significant cognitive disabilities and cannot participate in the general assessment program even with maximum accommodations. Students in grades K, 3-8, and 11 are assessed with the GAA.

**Note:**
- Flag GAA = ‘Y’ if the student’s IEP states that they will participate in the alternate assessment regardless of whether an assessment occurs during the current school year.
- Valid values are ‘Y’ or ‘N’. Students with GAA = ‘Y’ must have at least one course record with an ‘8’ in the first digit after the decimal (XX.8 General Education Course in a Special Education Setting).

**GENDER CODE**

**GENDER CODE** identifies the student’s gender. The **GENDER CODE** must be ‘F’ for female or ‘M’ for male. This is a self-identified field and does not have to be documented by a birth certificate.

**GEORGIA TEST IDENTIFIER (GTID)**

**GEORGIA TEST IDENTIFIER (GTID)** is the identification number assigned to each student that uniquely identifies the student. Students transferring between districts should already have a GTID. Only generate a new GTID if it has been verified the student has never been given a GTID while enrolled in a Georgia public school. When maintaining student identification data, verify that the **GTID**, student names and **DATE OF BIRTH** reported in Student Record match the information in the GTID database, called GUIDE. This ID should be used to report all a student’s records (FTE, Pre-ID, SR) throughout a school year and throughout his/her public education years in the Georgia public school system, including programs like Babies Can’t Wait and the Ga Pre-K Program. There are many validations checks on the **GTID** including checks to make sure that all students reported as active in FTE also have a SR Student record, and all SR Students have a SR Enrollment record. Additionally, to verify that the records sent in SR are for the correct student, checks are done to validate the student’s names and **DATE OF BIRTH** in SR and in GUIDE.

**GIFTED ELIGIBILITY CODE**

- Less high school units are required but an additional approved postsecondary credential is required.

The shelter code must equal one of the following: ‘1’ – Shelters; ‘2’ – Doubled-Up; ‘3’ – Unsheltered; ‘4’ – Hotels/Motels. If the student is not identified as homeless, then leave blank.

INCIDENT – CONTEXT AND LOCATION
INCIDENT – CONTEXT AND LOCATION indicates the location, time, and sponsorship of the activity during which the incident occurred.

INCIDENT DATE
The INCIDENT DATE, entered for each Student Safety record, must be between the beginning and ending school year dates for that specific school. For Student Safety-related records, the date should be the date recorded in the student’s file. Incident dates should pertain to the current school year only. Summer school entries should NOT be included. See the USCO section for instructions on reporting specified student discipline incidents.

INCIDENT NUMBER
INCIDENT NUMBER is a unique number that identifies the event that resulted in a student being charged with one of the INCIDENT TYPES or being disciplined by one of the ACTION CODES. The INCIDENT NUMBER is composed of the letter ‘E’ and a three-digit number. The three-digit number is the counter (from 001 to 999) for each event for which a student was charged. In the other types of records, System-Level, School-Level, Student, Course, and Enrollment records, this counter is called the RECORD TYPE. The event corresponds to either an INCIDENT TYPE or ACTION CODE. Every student that has any reportable incidents or actions will have an INCIDENT NUMBER of E001. Each event that occurs throughout the year should be numbered consecutively for each student starting with INCIDENT NUMBER E001 and continuing up to E999. A single event may include multiple incidents or multiple actions. For further explanation, see the Data Element Detail for DATA TYPE INDICATOR.

DATA TYPE INDICATOR is equal to ‘1’, unless all the following conditions apply:

- a. Another record with the same “key” information exists.
- b. The DATA TYPE INDICATOR of the other record is ‘2’ or ‘3’.
- c. The INCIDENT TYPE is not ‘Other’, or ACTION CODE is not ‘Other Action for a Serious Incident’.

INCIDENT TYPE
INCIDENT TYPE identifies the types of infraction for each incident. A definition for each INCIDENT TYPE listed below. See Student Safety record layout for matrix of valid combinations for the reporting of the DATA TYPE INDICATOR, INCIDENT TYPE, CONTEXT AND LOCATION, and ACTION. Federal requirements mandate reporting student safety incidents for students age 3 through 21 who were subject to any kind of disciplinary action during the school year.
Note: Do not use INCIDENT TYPE ‘24’, ‘30’, ‘31’, ‘33’, or ‘34’ together with ACTION CODE ‘80’ (Other Discipline Action). This creates an ambiguous record that does not meet state reporting requirements

The Larceny / Theft code should be used only when theft is serious enough to warrant calling the police or bringing in security. **INCIDENT SEVERITY LEVEL**
Indicates the level of severity of the INCIDENT TYPE, which should correspondingly be reasonable for the action taken. The Discipline Matrix can be accessed on the GaDOE website Student Discipline website - [https://www.gadoe.org/schoolsafetyclimate/Pages/Student-Discipline.aspx](https://www.gadoe.org/schoolsafetyclimate/Pages/Student-Discipline.aspx).

Valid values are:
‘1’ = Level One / Least Severe;
‘2’ = Level Two / More Severe;
‘3’= Most Severe / Most Severe;
BLANK/null should be used when appropriate.

**INDIVIDUAL GRADUATION PLAN** (Middle School)
Indicates whether an 8th grade student has completed an INDIVIDUAL GRADUATION PLAN. Valid values are “Y” and “N”. INDIVIDUAL GRADUATION PLAN must be blank/null when student GRADE LEVEL is ‘06’ – ‘07’. INDIVIDUAL GRADUATION PLAN cannot be blank/null when the student GRADE LEVEL = ‘08’.

**INTERNATIONAL SKILLS DIPLOMA SEAL**
Indicates the student has completed all the requirements for the INTERNATIONAL SKILLS SEAL. A diploma seal is recognized by employers and post-secondary institutions as an indicator the student has achieved a higher level of proficiency in one of the diploma seal areas. A student can earn more than one seal. Not all students who graduate will earn a seal. Cannot be blank when WITHDRAWAL REASON = ‘G’.
**MIDDLE NAME**
The MIDDLE NAME as shown on the student’s birth certificate, or legal name change documentation.

**MIGRANT**
MIGRANT indicates whether the student has been a migrant student at any time this year. A MIGRANT student is a student who is enrolled in the Migrant Education Program (MEP). MIGRANT must = ‘N’ for International Exchange Students.

<table>
<thead>

When a student reaches the End of Eligibility (EOE) but is still in need of academic support due to failing grades, the student can be approved to continue to receive services paid with migrant funds. This migrant student will be reported as “C” the year after the student reaches the end of eligibility. The student will be coded “C” for the school year. In some cases, high school students can remain coded “C” until graduation.</td>
</tr>

**MILITARY RESERVE**
Indicates whether the student has a parent or guardian who is a member of the military reserves (U.S. Armed Forces, National Guard or Reserve). MILITARY RESERVE must equal ‘Y’ or ‘N’.

The format of this data element allows one decimal position. The far-right digit is the decimal position. The decimal is “implied” when reported:

**EXAMPLES:**
- a half-day, 000.5, is reported as “0005”
- one day is reported as “0010”
- one and one-half days are reported as “0015”
- no days are reported as “0000”

The RIGHT MOST position must be 0 or 5.

**ONLINE SCHOOL**
ONLINE SCHOOL indicates the school offers only instruction in which students and teachers are separated by time and/or location, and that interaction occurs via computers and/or telecommunication technologies. A
‘virtual classroom’ generally does not have a physical facility that allows students to attend classes on site. When ONLINE SCHOOL is ‘Y’, ONLINE COURSE must be ‘Y’ for all courses reported from this school.

Valid Values
- ‘Y’ - the school is exclusively an online/virtual school.
- ‘N’ - the school is not exclusively an online/virtual school.

**PARENT COMMUNICATION LANGUAGE**
Indicates the language preference of the parent for communication between the school and the student's parent. Must be reported for every student. BLANK is not allowed.

**PARENT PRESENT AT CONFERENCE**
Indicate whether the parent was present for a special education event reported in a Special Education level record. Valid values are ‘Y’ or ‘N’ or, in some cases, may be null. A ‘Y’ or ‘N’ is required for Initial IEP Meeting (EVENT CODE ‘05’) and for IEP Annual Review (EVENT CODE ‘07’).

**PERIOD**
PERIOD is the data collection period within a school year. The PERIOD is always ‘1’ for the Student Record Data Collection.

**PLACE OF BIRTH**
PLACE OF BIRTH is a code that indicates the student’s country of birth. See Appendix D for list of codes. Children born to U.S. parents on military bases are U.S. citizens. The PLACE OF BIRTH (which should be on the birth certificate) may reflect their actual country of birth. Report the PLACE OF BIRTH based on the information shown on the birth certificate (or other approved documentation listed policy guidelines). The new definition of born in the U.S. allows the student to be counted as an immigrant for purposes of Title III immigrant children and youth program, provided they meet the full definition of an immigrant student. (See Appendix D for list of country codes)

**PRE-K PROGRAM CODE**
The PRE-K PROGRAM CODE indicates participation in a pre-kindergarten program. Valid Values are:

</tr>
</tbody>
</table>
* Note: Where the student is part day one program and part day special ed, choose the code that represents the non-special ed portion. EX: If the student is part day Georgia Pre-K and part day special ed, then choose ‘05’ Georgia Pre-K for any child attending the lottery funded program, regardless of whether they are receiving Spec Ed services. The same is true for the other programs:

- Choose the code 02/03/04 for the appropriate Head Start age level group for a child who is in the Head Start program regardless of whether they are receiving Spec Ed services.
- Choose the code of 07/08 if not in either the Pre-K or Head Start programs and they are being serviced by Spec Ed. There are a small number of blended programs in Georgia.

The program director for each of the blended programs would know if they are one of those programs. In cases where the students are not associated with the district (Head Start private grantee and no classes in district), but are receiving special ed services from the district, report the student in FTE 1 for the federal child count only. These students would not be reported in Student Record if they are not enrolled in the district.

**PRIMARY AREA**

Indicates the PRIMARY AREA of a student who has an active IEP/eligibility for special education services, while enrolled in this school during this FISCAL YEAR. Additionally, the PRIMARY AREA is reported for any student that exits the special education program during the current FISCAL YEAR. Note: A PRIMARY AREA cannot be reported for a student until the Initiation of ‘06’ - IEP Services/Transition Service has begun.

**PRIORITY FOR SERVICE**

The PFS “Y” must remain for the duration of the school year regardless if a student withdraws from school. PRIORITY FOR SERVICE must be either ‘Y’ or ‘N’. Blank is not allowed.

**PROGRAM CODE**

PROGRAM CODE indicates whether the student has attended one of the selected programs at any time during this school year. Code the student per the table below. All students reported with a PROGRAM CODE must also have the ALTERNATE SCHOOL NUMBER entered. See layout for GRADE LEVEL restrictions for specific PROGRAM CODES.

**TITLE III SERVED**

**TITLE III SERVED** indicates that the student was served with TITLE III supplemental funds this school year. Must be either “Y” indicating that the student was served using TITLE III funds or “N” indicating that the student was not served using TITLE III funds.

**TKES 90% TEACHING**

Identifies whether the LEA wants to consider 90% course time taught for all or individual SGP teachers of record. **TKES 90% TEACHING** must be ‘C’ - Consider Time Taught (CTT) or ‘A’ - All Teachers Included (ATI). Blank is not allowed.

- ‘C’ is going to look at time taught and calculate the 90% and attach the SGP to only those teachers with 90%.
- ‘A’ is going to attach an SGP to all teachers regardless of the 90% and they will use CPI and other data to calculate whether the teachers are 90%.

**TOTAL DAYS ABSENT**

**TOTAL DAYS ABSENT** is the total number of school days for which the student was absent from the reporting school during this school year. **TOTAL DAYS ABSENT** must be in the range 0-179. Count of all days for which the student was absent more than one-half of the instructional day. Include only the days the student was absent from this school, not the days absent in any other school, even if the student came from another school.
in this same school system. If the student was withdrawn for part of this school year, report all days absent from this school for that enrollment record. If the student has enrolled and withdrawn multiple times during the year at the same school, the total days absent from that school for each enrollment record should be reported. Do not include days “off roll” in the TOTAL DAYS ABSENT. See UNEXCUSED DAYS ABSENT for subset of the day’s absent total.

- **NOTE: DAYS PRESENT + DAYS ABSENT** for a student within a system must not exceed 180 days.

**UNEXCUSED DAYS ABSENT**

**UNEXCUSED DAYS ABSENT**- Failure to attend school or a school approved function, with or without the knowledge of the parent/legal guardian, for reasons other than those specifically outlined as excused absences in State Board of Education Rule 160-5-1-.10, which are:

1. Personal illness or when attendance in school would endanger their health or the health of others.
2. A serious illness or death in a student’s immediate family necessitating absence from school.
3. A court order or an order by a governmental agency, including pre-induction physical examinations for service in the armed forces, mandating absence from school.
4. Observing religious holidays, necessitating absence from school.
5. Conditions rendering attendance impossible or hazardous to student health or safety.
6. Local boards of education may allow a period not to exceed one day for registering to vote or voting in a public election.
7. A student whose parent or legal guardian is in military service in the armed forces of the United States or the National Guard, and such parent or legal guardian has been called to duty for or is on leave from overseas deployment to a combat zone or combat support posting, shall be granted excused absences, up to a maximum of five school days per school year, for the day or days missed from school to visit with his or her parent or legal guardian prior to such parent’s or legal guardian’s deployment or during such parent’s or legal guardian’s leave.

**USCO– INCIDENTS** (Unsafe School Choice Option)

**USCO– INCIDENTS** indicate incidents outlined for the Unsafe School Choice Option (USCO). This data is reported on the School level record.

**USCO INCIDENTS** are not reported unless the students involved are found in violation by a hearing officer, tribunal panel, signed a waiver admitting guilt or some other form of "official action" pursuant to the USCO State Board Rule.

*Records with these withdrawal codes will be included in dropout statistics.

**NOTE:**
- A **WITHDRAWAL CODE** of ‘I’ means that the student is incarcerated and is no longer enrolled in a public school. If the student is withdrawn and under the jurisdiction of the Juvenile Justice Department and is pursuing a diploma, **WITHDRAWAL CODE** ‘4’ should be used.
  - Use **WITHDRAWAL CODE** = ‘K’ to identify students going to JobCorps. Otherwise, use ‘O’.
  - **WITHDRAWAL CODE** = ‘5’: Per O.C.G.A. § 20-2-690.1, proof of age that the student is under 6 years old at time of withdrawal (an allowance may be made if the student is under 6 years old on September 1 of the school year and is withdrawn within the first 20 days of school); OR, records from a prior school indicate the student has already graduated/received a diploma.

**WITHDRAWAL DATE**

**WITHDRAWAL DATE** is the date of the student’s latest withdrawal from school for this school year. Enter the **WITHDRAWAL DATE** in the format yyyyymmdd where yyyy is the complete year for example, ‘20YY’, mm is month 01-12, and dd is date 01-31. An empty field is only allowed if the **WITHDRAWAL CODE** is empty. Enter the last date of withdrawal for a student who withdrew multiple times during the year from the same school and is still withdrawn.

Except for students who did not return to school for the current fiscal school year, enter the actual date of withdrawal from school. A ‘no-show’ is a student who was enrolled in a school at the end of the previous year or had enrolled in anticipation of attending the current year but did not return the following year to the school and no request for records was received. No-Show students are not reported in Student Record, unless the student enrolls at some point after the beginning of the **FISCAL YEAR**.

**ZIP CODE**

The **ZIP CODE** is included on the Student Address level record. Enter the **ZIP CODE** of the address where the student currently resides. It must be a valid **ZIP CODE** for the state listed on the record.
