Is this a Typical Teacher's Dashboard?

The screenshot shows a dashboard with a top navigation bar containing links for SLDS, TRL, Usage Reports, Growth Model, TestPad, Keenville, TKES/LKES, PL, and Logout. Below this is a sub-navigation bar with 'Historical Dashboard' and 'Operational Dashboard' tabs, and a dropdown menu for 'School: District'. The main area features search filters: 'Search By GTID' with a search box, and 'Search By Year, System, School, Grade and Student' with dropdowns for '2020', 'Bleckley County', and 'School, Please Select'. Further filters include 'Consider Best Score' (No), 'Season' (Spring), 'Admin Group' (Main, Retest), 'Fiscal Year' (2019, 2018), 'Filter Group' (Total), and 'Filter Value' (Total). A control bar at the bottom includes navigation arrows, a '1 of 1' indicator, a refresh button, a back button, a '100%' zoom level, and a print icon. The page title is 'Historical DISTRICT Milestones EOG Results for: Bleckley County'.

11

The screenshot shows a role configuration interface. At the top, there is a 'Type:' dropdown set to 'By Role' and a '+ New Role' button. Below it is a 'Roles:' dropdown set to 'AB'. The main area displays a role hierarchy for 'AB', represented by a person icon. A red box highlights a list of sub-roles: 'SLDS' (checked), 'District' (checked), 'School' (unchecked), and 'Teacher' (unchecked). A red arrow points to the 'District' role in this list.

Guide Home

The purpose of the Georgia Unique Identifier for Education (GUIDE) is to be able to assign each student in the state of Georgia a unique student ID that will stay with the student.

There are two ways to obtain an ID:

- Add Single Student**
This method allows the District to submit a single student's information and to obtain a unique ID for the submitted student. This function is not available to users with "Read-Only" access to GUIDE.
- File Upload (Claims)**
This method allows the sending District the option of sending a large batch of student information in order to assign each student a unique ID. Remember here that District should send the file for students who have a change in key elements and not all of the students.
