

Recent Updates For 2017

May 2017

SLDS Parent Portal

2015 and 2016 Georgia Student Growth Model (GSGM) Student Reports are now available to parents in the SLDS Parent Portal. District and school leaders also have access to these reports in the Student Profile section of SLDS. GSGM Student Reports can be found at the top section **of the Student Performance Dashboard under the “Downloadable Reports.”** A brief video and updated Parent Portal user guide are available on the [SLDS Parent Portal web page](#).

March 2017

Statewide Longitudinal Data System

Lexile score charts are now available for School and District users on the Historical dashboard. To see the Lexile charts, click on the Historical Dashboard tab, then click on "Lexile Scores."

February 2017

Statewide Longitudinal Data System

2017 Winter Milestones EOC data loaded.

High School Feedback Report

National Student Clearinghouse data loaded (this is data for high school graduates who attended private Georgia colleges and out of state colleges).

January 2017

Instructional Improvement System (IIS)

2015-16 Student Growth Model data added to IIS.
