

ACCESS Assessment Dashboard

District-Level Historical Dashboard View

1. Hover over the Historical Dashboard tab, **Assessment** then click **ACCESS** or **Alt ACCESS**. (Districts can view school-specific dashboard by first selecting a school from the drop-down).

2. The default dashboard provides two years of comparison **ACCESS** or **Alt ACCESS** data between the district and the State. Use the various **filters** and the **View Report** button above to change the data being displayed.

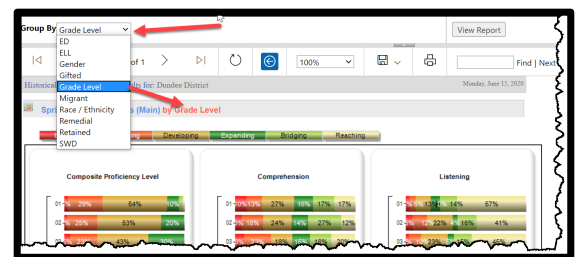

3. Click any of the colored data bands to display a list of schools that fall within that range. Click the **+ Plus Sign** to display a list of student names. Click the student name to display the **Student Profile Page**.
