

## School-Level User View

1. Log into the SLDS Administrator Dashboard. Hover over the Historical Dashboard tab and select **Enrollment** to display the **Enrollment Dashboard**.

2. The dashboard displays school-wide enrollment data dating back to FY 2007. Trending **enrollment** data is displayed in bar chart and line chart formats.

3. Click **More Detailed Data** in the upper right corner of the **Enrollment** chart section to view data by sub-group.

4. The **Document Map** on the left side is used to filter the sub-group data by **chart** or **table**. (Hover over the color bands to display additional data in a pop-up box).

5. Click the (**chart**) view to see a grade comparison of enrollments. Click the (**table**) view to see data in a drill-down table format.

In **table** view, the data displays as **# of enrollments**. Click the **# link** to generate a report of student names. Click the student name to display the **Student Profile Page**.

Note: Use **School Year** dropdown with **View Report** button to see additional years of data.
