IIS Tool – School/District Wall

 Hover over My Wall or My School (or District) Wall to display the catagories of data that are available in the IIS Data Tool. Hover over Assessment to view the types of assessments that are available in the IIS Data Tool (My Wall or My School/My District Wall). Select the desired assessment from the dropdown, then click Explore IIS Data Tool. You also have the option of Historial or Operational Assessment Data.

● 10● 11

■ 12 Overall Use the Summary Type option from the toolbar to select assessment counts as Count (count of assessment records by each student), Percent of Row (divides each count by the row total), or Percent of Column (divides each count by the column total). The default is Count.

 Expand the view in the grid by clicking the "+" symbol. Collapse the view in the grid by clicking the "-" symbol. Note the chart below the grid will change as the grid changes.
