

PL Filter Options

Five Steps or Less

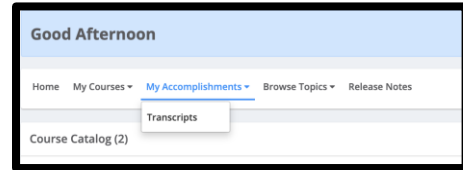

1. Log into SLDS. Teachers and Administrators can access the **PL (Professional Learning)** by selecting the **PL** tab in their blue navigation bar or by selecting their **PL** tile.

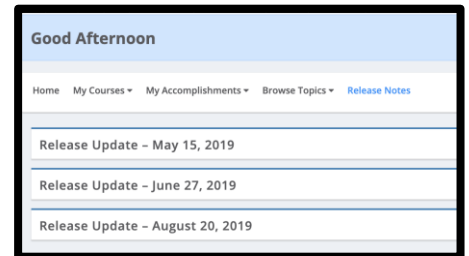

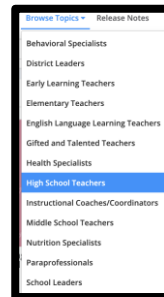

2. The **PL (Professional Learning)** page will display. Choose one of the filter options: **My Courses, My Accomplishments, Browse Topics, Release Notes, Search, Sort By**. Select from the dropdown.

3. **My Courses** will display the complete course catalog, any PL courses in which you have registered, any required PL courses, and any recommended PL courses. **My Accomplishments** will display a transcript of completed courses.

4. You can browse available courses by selecting the **Browse Topics** option. **Release Notes** will display any releases regarding the platform.

5. You can also use the **search bar** to search by **keyword**. Use the **Sort By** feature to sort available courses.
