

## Alternate ACCESS

1. Alternate ACCESS is intended only for English Learners with significant cognitive disabilities that are severe enough to prevent meaningful participation in the ACCESS for EL assessment.

2. As displayed on the Student Profile Page under State Assessments. You can view the achievement level in each area.

3. To view the description for a content area (ex. LTRCY) simply hover your cursor over the area and a pop-up box will display the full measurement.

4. Alternate Access results are also displayed in a teacher's class roster.

5. Clicking on one of the Alternate ACCESS test result boxes will display the test administration details.
