

Board Features

Explanation of the Features within a Board

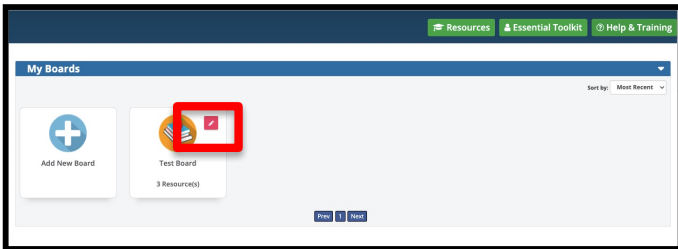

1. Sign into SLDS to open the dashboard and select **TRL** from the menu.

Then go to **My Boards** icon located at the top of the page.

2. Find the board and click the pencil icon to open the edit options to edit the name and/or icon for the board.

3. Click the board to access the resources saved to that board.

4. Resources within a board may be sorted "Title A - Z" or "Title Z - A". You can view 12, 24, or 36 resources in a board.

5. To rate a resource from a board, click the Star icon on the bottom right of the resource. To delete a resource from a board, click the Trashcan icon on the bottom right of the resource.
