

Teacher Resource Link (TRL)

Creating Instructional Boards in TRL

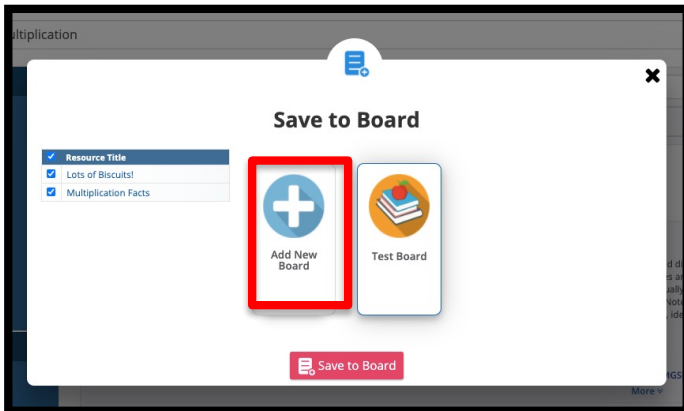

1. Access the **Teacher Resource Link** by clicking **TRL tile** on the teacher dashboard or the **TRL tab** on the SLDS menu bar.

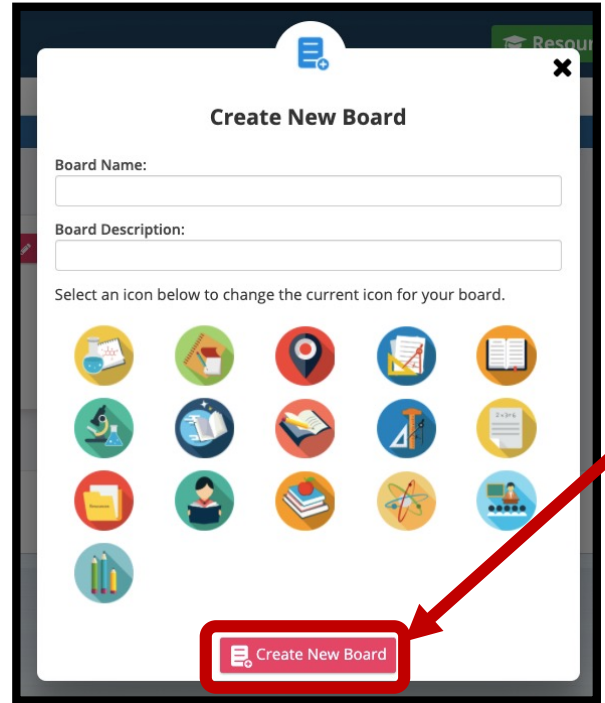

2. On the far right, click the **Add to Board** button.

3. Click the **Add to Board** button.

4. Type a name for the board. A description is recommended but not required. Click the **Create New Board** button and select an icon.

5. The board that you created is now listed. Repeat steps 3 & 4 to create as many boards as desired.
