TRL- Essential Toolkit

1. Sign into **SLDS** to access the dashboard and select the **TRL** (Teacher Resource Link) button from the menu bar.

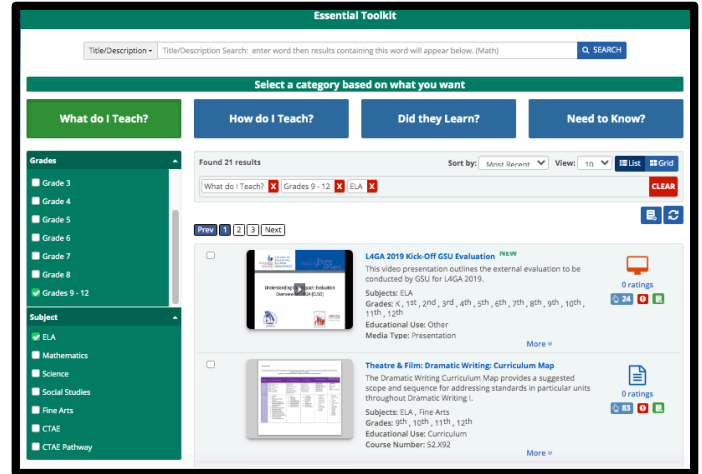

2. The **Essential Toolkit**, *located in the upper right hand side of the **TRL** search page,* is designed for beginning teachers or teachers new to their subject area or grade level. Resources are available for K-12 content areas.

3. The next screen allows for two ways of searching for resources: a key word search in the **Title/Description** or by grade and content area.

4. Select desired grade and subject filters to view resources aligned to those filters.

5. *Narrow your search by clicking on one of the additional filter tiles:* **What do I Teach, How do I Teach, Did they Learn, Need to Know?** *Note that the search will automatically default to "**What do I Teach**".*
