

TRL: Saving Resources

Saving Resources to an Existing Board

 Resources within TRL can be saved to boards to allow for quick access. From the List View search results, select the resource or resources to be saved by checking the small box to the left of the resource.

2. In Grid View, hover over the resource thumbnail to reveal the selection box and check the selection box.

 Once a resource or multiple resources have been selected, click the Add to Board icon, which is the "Save" icon.
