

# Student Profile

## Demographics

1. The **Demographics** section of the **Student Profile Report** is informative only and cannot be clicked to provide more data (with the exception of the **SWD** data element).
2. The **Demographics** section displays basic information about the student. The following data elements are displayed for all students: **Name, Grade, Gender, Ethnicity, and Birth Date**. Students in 10<sup>th</sup>-12<sup>th</sup> grades also have the **Date Entered 9<sup>th</sup>** data element. Some students may even show **Homeless** or **Foster** status.

3. If applicable, the subgroup data [for example, **Retained, Gifted, Students with Disabilities (SWD)**] will appear in the **Demographics** section, along with footnotes to indicate the dates on which each data element was last updated.

4. If the student is marked as a **Student with Disabilities (SWD)**, this will show in the Demographics section as **SWD: Y**. Clicking on the hyperlinked "Y" displays the student's Special Education events (this data is pulled from Student Record).

**Conn, Otelia E**
