

**2013-14 Annual School Technology Inventory Survey - August 2014**  
 Heard County, Heard County Middle School ( 674-0102 )

**Dr. John D. Barge, State School Superintendent**  
*"Making Education Work for All Georgians"*

|                    |                  |
|--------------------|------------------|
| Student Population | Total Classrooms |
| 470                | 33               |

|  |  |  |
|--|--|--|
| Does School have a high-speed internet connection? | Number of Classrooms with high-speed internet access | Percentage of Classrooms with high-speed internet access |
| Yes  | 33   | 100.00%  |
| School Website                                     |  |  |
|  |  |  |

|  |                           |
|--|---------------------------|
| Type/Speed of connection between school and district remark: | 1 Gbps - Gigabit Ethernet |
| What Type of LAN topologies are implemented in the school:   | Wireless, Ethernet        |
| Estimated Internal Network Bandwidth:                        | 1 Gbps - Gigabit Ethernet |
| Estimated Internet Bandwidth:                                | 100 Mbps - Fast Ethernet  |

| Student Instructional Computers |                         |                  |                       |                  |                       |                       |                       |   |                               |                                   |       |
|---------------------------------|-------------------------|------------------|-----------------------|------------------|-----------------------|-----------------------|-----------------------|---|-------------------------------|-----------------------------------|-------|
| Operating System                | Instructional Computers |                  |                       |                  |                       |                       |                       | Thin Client/Virtual PC<br>(All ages counted together) |                               |                                   | Total |
|                                 | Desktop                 |                  | Laptops               |                  | Tablets               | Netbooks              | Ultrabooks            | Host PC   | Clients Served by the Host PC | Clients Served by the Host Server |       |
|                                 | Less than 5 years old   | 5 years or older | Less than 5 years old | 5 years or older | Less than 5 years old | Less than 5 years old | Less than 5 years old |   |                               |                                   |       |
