

# Recent Updates for 2018

## December 2018

### Statewide Longitudinal Data System

- Student Growth Percentile (SGP) aggregate charts are now available on the Historical, Operational, and Teacher dashboards.

### Georgia Student Growth Model (GSGM)

- SGM now displays Growth Targets

## November 2018

### TestPad

- GOFAR tests have now been loaded into the TestPad test bank.
- All districts have been granted access to TestPad. By default, those districts that were not previously using TestPad now have "view only" access to TestPad/GOFAR items, while those that were already using TestPad are still able to create and view items. Click [here](#) for more information about user access and permissions within TestPad.

## October 2018

### TestPad

All GOFAR items have now been loaded into the TestPad item bank.

### IIS Dashboard
