- 4) The next Screen that "pops up" is the standard "Teacher Dashboard" (this is what all Georgia Public School Teachers will see)
- 5) To get to the Teacher Resource Link- (2 ways)
 - Select either of the Gold Keys on left side of the Course Roster

- Click on the TRL icon in the blue banner bar

Student Search

At the very bottom of every screen inside of SLDS, is a Student Search Feature

Search By GTID		Search By Year, System, School, Grade and Student					
<input type="text"/>	Search	2018	Dundee District	Columbus Elem School	03	ARGO SAMUEL	Go

You can search by GTID or by Name

To search by GTID, enter the desired student's 10-digit GTID in the Appropriate box and click "Search"

To search by Student's Name, Select the appropriate selections from the Dropdown Boxes.

- 1) Select the desired School Year
- 2) You will not be able to change the School District
- 3) Select the school where the desired student attends (you may not be able to change the School Name)
- 4) Select the grade level of the desired student.
- 5) Pause for a few seconds, the Name Dropdown will populate with available student list
- 6) Select the desired student from the List of students
- 7) Click on "Go"
