

## Reading the Stretch Lexile Chart on the Student Profile Report

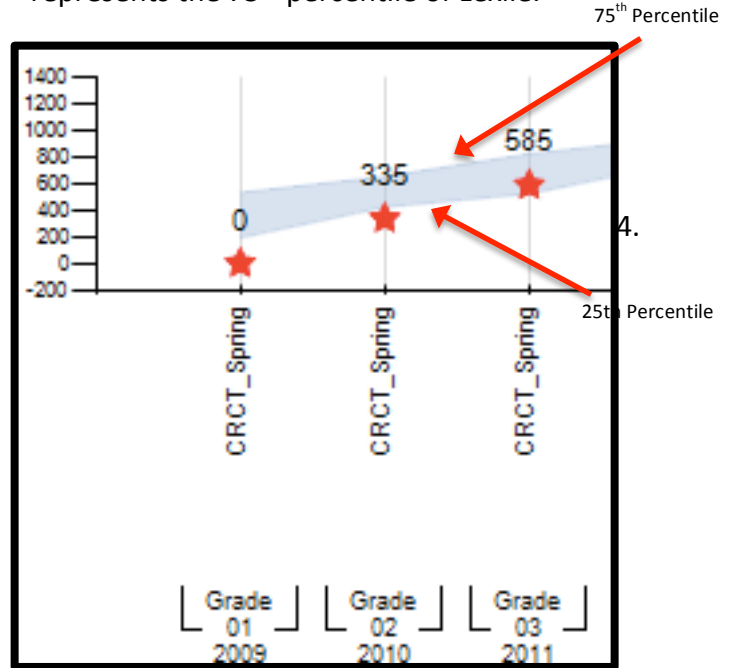

- Any available Lexile levels from state ELA EOG, Reading CRCT, 9<sup>th</sup> Grade Literature and/or American Literature EOC/EOCT are available on Student Profile Report on the **Stretch Lexile Chart**, located below Demographics and Attendance.

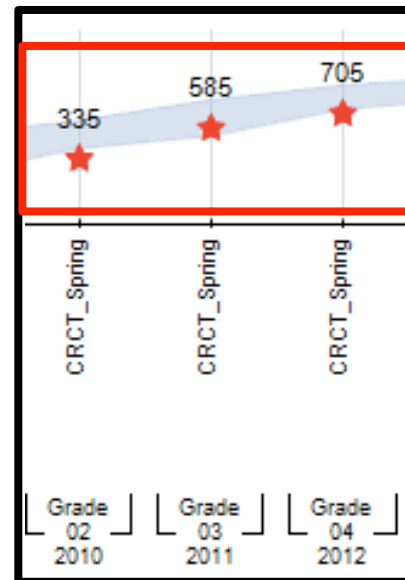

- The chart shows the stretch Lexile range (between the 25<sup>th</sup> and 75<sup>th</sup> percentile) established for each grade level.

- The bottom of the blue band represents the 25<sup>th</sup> percentile of Lexile, while the top of the blue band represents the 75<sup>th</sup> percentile of Lexile.

- The student's Lexile level from each assessment is displayed with a red star.

For more information on Lexiles, see *Lexile Scores* and *Lexile Scores Additional Information 5 Step* documents.
